## PARKER FOR PRESIDENT

Choice of the Democratic National Convention.

## DAVIS FOR VICE-PRESIDENT

After an All Night Session There Was Much Enthusiasm and Confusion.

St. Louis, July 9.—Amid scenes unparalleled by any national convention of the Democratic party, the convention at 5:40 o'clock this morning nominated Judge Alton B. Parker, of New York, for President.

Parker lacked just nine votes when the first call was ended, but before the vote was announced Idaho changed her six votes to Parker and Nevada followed with two. Parker now lacked but one vote, and West Virginia gave him 13 and Washington 10, making him a total of 689. Before this could be announced, Gov. Dockery, of Missouri, withdrew Cockrell's name and moved that Parker's nomination be made unanimous. This was done with a yell and a demonstration was started. Everybody was too tired, however, to offer very much, and a motion to adjourn was greeted with a howl of affirmation as 11,000 spectators and 1000 delegates made haste for the exits.

### Davis for Vice President.

St. Louis, July 10.—Ex-Senator Henry G. Davis, of West Virginia, was this morning nominated for Vice President by the Democratic national convention, which adjourned sine die at 1:31.

Others in the race were ex-Senator Turner of Washington, Congressman Williams of Illinois, and ex Senator Harris of Kansas. Mr. Davis won easily on the first ballot. Ex-Senator Turner, the choice of the West, was only third in the race.

### Swamp Lands of Klamath.

Salem, Or., July 9.—The state of Oregon has not given up its contest for title to the swamp lands in Klamath county, but has filed a motion for a review before the secretary of the interior. Attorney General Crawford has received a copy of the brief in support of this motion, prepared by Wm. M. Matthews, the attorney employed by the state at the national capital.

When this contest was tried before the secretary of the interior it was decided against the state, and this decision will be final unless the state's attorney can make it appear that the secretary was in error and thus secure a rehearing.

retary was in error and thus secure a rehearing.

About 70,000 acres of swamp land are in question. The state claimed the land under the swamp land grant of 1860, which granted to the state all swamp lands on the public domain not otherwise disposed of. In his decision the secretary of the interior holds that all the lands in that region belonged originally to the Indians, and that by the treaty of 1848 the Indians gave up their claim to all except what is now the Klamath reservation, which reservation includes the swamp lands. According to the secretary's view, the government had no title which it could convey to the state by the act of 1869, for the land belonged to the Indians.

Mr. Matthews contends that the Indians had only such rights as the government gave them, and that the swamp land grant of 1860 conveyed the land to the state, subject to the possession of the Indians during the continuance of the reserve. The government having entered into a treaty by which the Indians take lands in severalty and give up their claim to other lands in the reservation, Mr. Matthews contends that the title of the state is now complete. He

asserts that the government had at all times power to grant the swamp lands to the state, and did so grant them in 1860. Numerous authorities are cited by him in support of his view of the questions involved.

### Sheep Being Sold.

During the past two months a large number of sheep in the Columbia river counties have been sold and shipped out of the state, and within the past two weeks several sheepowners of Grant county found a fair market for their yearlings and over 8000 head have been driven to Heppner for shipment.

Burns & Stout drove from the Monument locality last week 4200 head of mixed yearlings which they purchased in that locality, securing 2000 head from Emil Scharff, 1700 head of Tunis and Wm. Swick and 500 head of F. M. Round.

Chas. E. Trask came in from South Dakota last week and secured 4100 head of mixed yearlings for which the Blue Mountain Eagle is informed he paid \$1.50 per head. His band was made up of 1200 head from Leet Paine, of Cottonwood, and 2900 head of Wm. Sterritt, C. F. MacRae and Giles T. Kirk, of Dayville, and W. S. Fields, of Mt. Vernon.—Blue Mountain Eagle.
