Eilers Piano House Filling Lots of Mail Orders for Story & Clark Pianos.

Immense Sales Daily and Everybody Pleased. Pianos a Great Bargain. Six Months' Instruction in Music Free and Other Inducements. Read.

When it comes down to genuine merit, you're never going to get anything near the value of these Story & Clark pianos unless you pay twice the price at which this first three carloads are going for.

They are the most astonishingly fine pianos ever sold for the price. Three carloads of them at only dealers' whole-sale price on each piano, and in addition music lessons for the student for six months, all necessary instruction books gratis and a present of a beautiful music cabinet at Christmas time.

This is to introduce the Story & Clark pianos to the people of the Northwest. It was Story & Clark's own proposition when they prevailed upon us to accept the agency of their piano, after two years of negotiation.

We are very glad to carry it out for them. It is a pleasure to us to offer our patrons something so especially good, and we do not hesitate to pronounce this by all odds the most liberal offer ever made to piano-buyers.

Only Three Carloads.

Please bear in mind that there are altogether but three carloads of these superb instruments to go at these special terms, and the offer is good throughout our entire territory. The further away the purchaser the better we like it, because we want the fame of the Story & Clark pianos to spread throughout the entire Northwest. No matter where you live, if you can secure the services of a music teacher we will pay for six months' instruction for one of your children, or for your wife or sister, and send what instruction books are necessary for the six months as soon as you notify us what is wanted.

And last, but not least, the Story & Clark Company will send you at Christmas time a present of a handsome music cabinet.

Three carloads used to be a good many pianos to sell under such favorable conditions, but they are not many, considering what a large territory the Eilers Piano House covers and the scores of people who are eager to profit by this opportunity.

The list of buyers increases daily. If you want your name among the fortunate ones, see us or write us at once.

Every one of these Story & Clark pianos is fully guaranteed and money back in every instance where there is not absolute satisfaction. Cash or our easy-payment privilege, as suits you best. Mail orders filled carefully and promptly. Write for catalogue and particulars. Eilers Piano House, 351 Washington street, corner Park.
