

THE POWER OF SUNLIGHT

The best disinfectant of all is sunlight. It destroys by its very brightness all sorts of germs and at the same time helps the growth of plants and animal life. Doubtless all have noticed that mould grows during the night and in dark, damp cellars. Bright sunlight quickly destroys germs mould or other organisms. That is why it is best to let the sunlight into your houses for its purifying influence.

At the Hospital and Surgical Institute, Buffalo, N. Y., Dr. Pierce, chief consulting surgeon, started experiments, some three years ago, with the Finsen light in conjunction with the X-ray in the treatment of diseases. He got excellent results therefrom, and was among the first to adapt this remarkable cure to many cases which it was formerly supposed must of necessity be treated by the knife.

Not only is Dr. K. V. Pierce notable for his surgical achievements at his hospital in Buffalo, but nearly a third of a century ago he discovered certain roots and herbs which were nature's remedies, and succeeded in putting them up in a form that would be easily procured and ready to use. This he called Dr. Pierce's Golden Medical Discovery. It maintains the patient's nutrition by enabling him to eat, retain, digest and assimilate nutritious food. It overcomes gastric irritability and symptoms of indigestion, and in this way fever, night-sweats, headaches, etc., are done away with. It fortifies the body against the germs of consumption, grip and malaria. It builds up the tissues and puts on healthy flesh.

Those desiring to know something about the body in health and disease, also medicine and surgery without technicalities, should read the "Common Sense Medical Adviser," which can be had for 25 cents in one-cent stamps for the cloth-bound book. Address Dr. K. V. Pierce, Buffalo, N. Y.

Union Savings Bank.

The Union Savings Bank of Walla Walla is one of the younger class of institutions in that city, but behind it are a number of well known capitalists, men who have made fortunes in business in the Central states and came West to invest it and assist in building up the country. Practically the capital of the new concern is unlimited, and this fact has brought to it as depositors and customers many of the wealthy men of the city. The growth of the business has been steady and rapid, and the management is greatly pleased with the prospects for the future.

A special feature which has taken well with the people of Walla Walla is the savings deposits, and the little banks which have been placed in a majority of the homes in the city. Interest at 4 per cent is allowed on the deposits, and thousands of dollars are finding investment in this way.

The officers of the bank are: President, Spencer E. Carr; vice president, John G. Miller; vice-president, V. E. Oehler; cashier, B. F. Culp. The stockholders are: Spencer E. Carr, St. Louis, Mo.; John G. Miller, Chicago; V. E. Oehler, St. Louis, Mo.; R. M. Hart, St. Louis, Mo.; C. H. Woodin, St. Louis, Mo.; P. Asch, Milwaukee; F. A. Sudholt, St. Louis, Mo.; M. The Farmer's Foes

are weeds. Unless they are kept down, they divert the nutrition which the soil provides from the growing crops and ruin their productiveness.

Diseases are to the body what weeds are to the soil. They divert the nutrition which is necessary to sound health, and the body, instead of being strong and hardy, drags out a sickly existence. When the stomach is diseased, and the other organs of digestion and nutrition are involved with it, there is a constant loss of nutrition by the body. The stomach and its allied organs are not able to convert the foods into nourishment, and hence the body and its several organs are deprived of the necessary elements of vitality. What is known as "weak heart" or "weak" lungs, "weak" nerves and other forms of so-called weakness, are generally caused by "weak" stomach. When the stomach and the other organs of digestion and nutrition are cured, then the other diseases are cured with it. Diseases which are caused by a diseased condition of the stomach are cured through the stomach. Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and its associated organs of digestion and nutrition. It cures through the stomach diseases of heart, lungs, liver and other organs. It increases the activity of the blood-making glands, so that the whole body is nourished by an abundant supply of pure blood, rich in the bright red corpuscles of health.

There is no alcohol in "Golden Medical Discovery" and it contains neither opium, cocaine, nor any other narcotic. It is strictly a temperance medicine. Persons suffering from chronic forms of disease are invited to consult Dr. Pierce by letter free. All correspondence strictly private. Address Dr. R. V. Pierce, Buffalo, N. Y.

Suffered for Years.

"My gratitude to you and your 'Golden Medical Discovery' is so great," writes Mr. Ross Martin, of Arlee, Mason Co., West Virginia, "that I am at a loss to find words to express my true feeling. I had suffered for a number of years with lung and throat troubles, and doctored with specialists, but got no better. Then I decided to try Dr. Pierce's Golden Medical Discovery, and after using it I was greatly relieved. I have not since that time had any trouble, and I think it a grand work."

Torpid Liver Cured.

"I was a sufferer from torpid liver for over a year," writes Mrs. Nora Willis, of Wheatfield, Jasper Co., Ind., "and could not sleep, nor eat but very little, and then it would cause me great distress. I tried several doctors but got no relief. Was advised by a friend to write to Dr. Pierce, which I did, and in a few days I received a letter advising me to take his 'Golden Medical Discovery' and also his 'Pleasant Pellets.' After I had taken only half a bottle I was greatly improved. I only took three bottles of the 'Golden Medical Discovery' and two vials of the 'Pellets,' and, thanks to Dr. Pierce and his wonderful medicine, I am as well as ever in my life, and feel that life is worth living after all."

"Last winter I took a severe cold which resulted in pleurisy. Tongue can not tell what I suffered. For two nights and two days I could not move without nearly killing me. I told my husband I could not endure another night of suffering. The weather was so cold and stormy that it was almost too bad for any one to go six miles to town, but he went, and got a bottle of Dr. Pierce's Extract of Smart-Weed, which gave me instant relief. I can say that for all pains that I have tried it for it has worked like magic. We keep a bottle of the 'Smart-Weed' in the house all the time. I cannot thank Dr. Pierce enough for what he has done for me."

Constipation has almost countless consequences. Dr. Pierce's Pleasant Pellets cure constipation and cure its consequences. They should always be used with "Golden Medical Discovery," when the use of a laxative is indicated.
