### Natural Gas in England.

Natural gas, in which Eogland was generally supposed to be deficient, has been discovered there by Americaus and put to practical uses. The English people have not yet fully realized the many advantages it has over coal and are therefore slow in dopting it. This is als the experience of many persons in our own country in regard to me iisine. They are fully aware that they seed a medicine to cure them of their somace, liver or kidney trouble, bu are nadeo ded which molicine to select Follow the advice of prominent physicians as well as the exemple of thous ands of persons who have been cured. sud commence taking Hostetter' Stomach Bittere. # Three Months for Balliet.

Des Mones Nov 26 - Letson Balliet.

The conviction follows the expose of Baker City, Or, with offices at San Francisco. Testimony was to the effect that Balliet realized something like a quarter of a million on the mine with an investment of \$30,000, and that the shaft is almost worthless.

Balliet was convicted after an expensive trial, but secured a new trial and upon a second hearing pleaded guilty.

The sentence includes a fine of \$300.
