

## HIS FRIENDS RALLY.

### Many Senators Express Confidence in Mitchell.

Washington, Jan. 6.—Senator Mitchell, fatigued by his long journey across the continent and visibly showing the strain under which he rests, arrived in Washington at 7 o'clock this evening and went at once to his apartments at the Rhode Island. On his way East he stopped 36 hours at Chicago. His trip to Washington was made entirely alone.

Shortly after his arrival, Senator Mitchell was seen by The Oregonian correspondent and asked if he cared to make any statement regarding his recent indictment.

"I have just arrived in the city," said he. "I have not seen a copy of the indictment. It was returned after I left Portland. Until I have seen it I have nothing whatever to say, except to repeat what I said on learning of the accusation, that I am absolutely innocent of any wrongdoing. After I have seen precisely what the charges are from the record, I may have something to say."

Early this evening Senator Fulton called on his colleague and talked over at length the ordeal through which he had gone. He repeated to Senator Mitchell the assurances of his colleagues in the Senate that they uniformly believed in his innocence and told him that many Senators had gone so far as to declare that Mitchell was being outrageously persecuted and that their sympathies were all with him.

Senator Mitchell was visibly moved to learn of the confidence which his fellow-Senators repose in him, and was specially touched by the loyalty of Senator Fulton. Whether to enter the Senate and participate in its proceedings, as many Senators have urged, or whether to adhere to custom and remain away, Senator Mitchell has not determined and will not decide before the Senate meets Monday.

Lieut. Gov. Hiram Mitchell, the Senator's son, came from New York to meet him tonight. Many other friends called during the evening to see the Senator and express in the warmest terms their confidence in his ability to establish his innocence.

Representative Williamson, after reading in last Monday's Oregonian that the grand jury would likely indict Fred A. Kribs, of Portland, for fraudulent land operations, and that it would be shown that Kribs and Williamson had operated jointly in Central and Southwestern Oregon, said:

"I don't know Mr. Kribs, never had any dealings with him whatsoever. He is an utter stranger to me."

Representative Hermann has not yet arrived, but is expected to reach Washington some time tomorrow.

## Revolution Imminent.

A sure sign of approaching revolution and serious trouble in your system is nervousness, sleeplessness, or stomach upsets. Electric Bitters will quickly dismember the troublesome causes. It never fails to tone the stomach, regulate the kidneys and bowels, stimulate the liver, and clarify the blood. Run down systems benefit particularly and all the usual attending aches vanish under its searching and thorough effectiveness. Electric Bitters is only 50c, and that is returned if it doesn't give perfect satisfaction. Guaranteed by Slocum Drug Co., Druggists.

A man living near Hillsboro will plant an acre of celery, being assured that his land is equal for that purpose to the Kalamazoo land.

## A Costly Mistake.

Blunders are sometimes very expensive. Occasionally like itself is the price of a mistake, but you'll never be wrong if you take Dr. King's New Life Pills for Dyspepsia, Dizziness, Headache, Liver or Bowel troubles. They are gentle yet thorough. 25c at Slocum Drug Co.'s Drug Store.

## THE BANK NOW ISSUES THE NEW FORM OF MONEY ORDERS

### AMERICAN BANKERS ASSOCIATION FORM

These orders are issued in any amount up to One Hundred Dollars and can be cashed at any point in the world. This form of money order has been adopted by The American Bankers Association and is intended to regain to the Banks of America a large volume of business that the banks formerly had, but of recent years has gone to the Post Office and Express Companies. Under the present methods of both private and national banks the holder of a bank draft has no security except the responsibility of the bank issuing the same. Under the new system of money orders, each order has this GUARANTEE on its face. If not paid by the Drawee Bank upon presentation, THE AMERICAN SAFETY COMPANY of NEW YORK [capital, surplus and undivided profits, \$4,500,000] will pay the amount of this order at its principal office in the City of New York.

This Surety Company in addition to the responsibility of the bank, makes these money orders as good as Government Bonds.

## What Has Happened?

Fritz went to town and met Hans.

Hans—"Hello, Fritz, where are you going?"

Fritz—"To town to get some flour."

Hans—"Oh dear, you just remind me."

Fritz—"What is that?"

Hans—"I got some flour from the Heppner Bakery."

Fritz—"Has he some for sale and is it good?"

Hans—"I saw the nice bread that he made from it, so I wanted some of the same flour."

Fritz—"What kind of flour does he keep?"

Hans—"Only one kind and that is Heppner Fairy Queen, made in Heppner and the finest of all."

Fritz—"I will go and get me some from the Bakerman."

Hans—"You do so, also you can have fine groceries, fruits, fancy candies and all kinds of nuts at the HEPPNER BAKERY."
