

ANNUAL PRE-INVENTORY SALE Is Now On

The Annual Stock-Taking season is now on, and a glance through the different lines reveals the fact that we have a great many seasonable articles in the various lines which should change owners within the next 20 days. So in order to be assured of such changes we have resorted to the old method

Price Reductions

Every live merchant is very anxious to have stock of merchandise, in whatever line, free from all surplus at stock-taking time, and is willing to sacrifice heavily to bring about such a condition, and the proprietors of this store being no exception to the above rule, have ordered big price reductions in various lines, as you will observe in looking over the following lists.
