**OUR MUSLIN
UNDERGARMENTS.**

Are made by the thousand on a verified scale of sizes. The muslin underwear here is made right—the garments fit—they are comfortable—and being under the closest supervision by women experts the styles are new and right.

And daintier than ever, going to show, that made under right conditions, muslin undergarments can be better made than similar sorts would be at home and the most pains taking, home work could not produce the pretty styles shown here at anything like the prices.

LADIES GOWNS

Made of muslin, cambric, longcloth and nainsook trimmed with Swiss and Hamburg embroidery tureen and val lace. Dainty and comfortable.
