

OFFICIAL CALL.

For the Oregon Development Convention April 26th and 27th.

1915 is Oregon's year. The Oregon Development League, now composed of fifty-two regularly organized commercial and industrial bodies, will hold its Second Annual Convention in Portland at the Marquam Grand Theatre, Wednesday and Thursday, April 26th and 27th.

A complete programme is now in course of preparation—as partially arranged it is as follows:

WEDNESDAY, APRIL 26TH.

Convention called to order at 9:30 A. M.—delegates to arrive at nine if possible to register and receive badges. A local reception committee will be on hand to welcome delegates.

Address of Welcome, Hon. George E. Chamberlain, Governor of Oregon.

Response by E. L. Smith, President Oregon Development League.

Report of League's work, Tom Richardson, Secretary.

Addresses by Messrs. H. W. Goode, President of Lewis and Clark Exposition; J. R. N. Bell, Baker City; Frank I. Vavter, Medford; B. A. Worthington, General Manager S. P. and O. R. & N. Co. Portland; Charles V. Galloway, of McMinnville. (Subjects named later.)

Brief discussion of papers. Adjournment at 12:30.

In the afternoon the Convention will meet in sections devoted to the various industries of the state, enabling delegates to discuss subjects in which they are particularly interested.

The Willamette Valley Agricultural section will occupy the Marquam Grand Theatre.

Good Roads Section, Judge John H. Scott, Salem, Chairman, Tower Room of Portland Commercial Club.

Dairy Section, J. W. Bailey, Chairman, Ladies Dining Room Portland Commercial Club.

Fruit Section, Wilbur K. Newell, Dilley, Chairman, Chamber of Commerce Rooms.

Mining Section, W. S. Newberry, Sumpter, and C. C. Beckman, Jacksonville, Joint Chairmen, Black Room of Commercial Club.

At these sectional conventions a condensed but comprehensive report will be made for presentation at the general session Thursday morning.

In the evening, reception in rooms of Portland Commercial Club from eight to eleven o'clock, for delegates, their families and friends.

THURSDAY, APRIL 27TH.

Convention called to order promptly at 9 o'clock.

Reports from sectional conventions, in order named above.

Reports of Vice Presidents of the League.

Address by Hon. Jefferson Myers,

President Oregon State Commission of Lewis and Clark Exposition.

Reports from all delegations represented.

All delegates will be guests of the Lewis and Clark Exposition the afternoon of the 27th, leaving for the grounds at exactly two o'clock, as per announcement to be made in the convention.

The addresses on the programme will none of them exceed fifteen minutes in length, leaving time for the important business to be considered—a proper representation of the various portions of the state through a League headquarters on the Exposition grounds will receive attention. The sectional conventions will be intensely practical.

Special rates made by the railroads for this occasion insure the convention's success. On the O. R. & N., La Grande and points east will be one fare for the round trip; points between La Grande and Portland, one and one-third fare. Tickets on the Southern Pacific will be sold at one fare for the round trip from Glendale and points south; between Glendale and Portland, fare will be one and one-third. Rate on the Northern Pacific is one and one-third fare for round trip. These rates will apply on the O. R. & N. and Southern Pacific for trains arriving in Portland on Tuesday evening or Wednesday morning, April 25th and 26th. On the Northern Pacific delegates may arrive either Wednesday or Thursday morning. April 28th is limit of tickets.

Now as to delegates. Every member of the Oregon Development League is entitled to name a delegation to include any desired number—the section conventions should be borne in mind in appointing delegates so that men from the different industries are named.

Every editor in the state is a delegate at large, because it is through the newspapers that Oregon will get her publicity. Where there is no organization holding membership in the League, the appointment of representatives devolves upon the Mayors of towns and the County Commissioners, and it is especially desired that several sections of the state not now affiliated with the League should organize and join us. Every possible permanent benefit should be secured as a result of the enormous western travel that is now a certainty.

E. L. SMITH, President
TOM RICHARDSON, Secretary.

Wool Sales In Baker County.

Miles Lee, the veteran sheep and wool man of Baker county, yesterday closed a contract for 100,000 pounds of clips to be made in Baker county, at 16 cents a pound, the wool being contracted for Koshland Bros., of San Francisco and Portland. Mr. Lee states that this contract practically cleans up all of the fleeces in sight in this county at the coming shearing time. The lambing season in Baker county is now coming on and Mr. Lee estimates that the increase in the flocks will be something over 100 per cent, all conditions being first-class. Mr. Lee has also been paying 50 cents a fleece cash to bind his contracts for the future wool.—Baker City Democrat.

Wasco News: George T. Parr says he believes that 90 per cent of the grain in the county was frozen out and will have to be reseeded. We think this is a high figure, but it will not fall short of 50 per cent, and the worms at present operating in the south end may reach 75 per cent.

Salary \$3.50 per day with Expenses advanced each Monday by check direct from headquarters. Horse and buggy furnished when necessary; position permanent. Address, Blew Bros. & Co., Dept. 4, Monon Bldg., Chicago, Ill.
