

ON RUSSIAN RAILWAYS.

There Are More Accidents Than on Any Other Continental System.

Although railway traveling in Russia is slower than in any other country of Europe, there are more accidents on the Russian than on any other continental system, says an Odessa correspondent of the London Times. The average speed of a passenger train is 36 miles an hour, and that of the so-called "fast expresses" 42 miles. Approximately speaking, there are now about 29,000 miles of railway in European Russia. According to an official return lately published, the number of accidents last year amounted to 9,890. Of these 1,212 were collisions, and 1,521 derailments. One thousand five hundred and twenty-nine persons were killed, and 7,903 injured. The damage done to railway stock was estimated at 1,600,000 rubles, a paltry sum as compared with the terrible loss of life and the number of people injured.

The greater part of the permanent way in this country is laid without either chairs or fish-plates, the old and insecure method of rivets staples being still in vogue, a fact which largely accounts for the enormous number of accidents.

Race Prejudice in Mexico.

In a recent report to the state department United States Consul LeRoy, at Durango, Mexico, refers to "race prejudice" as "a common American tendency, which militates against us in this country (Mexico)." He says that Americans who go there to invest, to push business connections or to locate and make their own way, are too prone to show contempt for the people of the country. "It is a narrow, short-sighted idea of 'patronism,'" says Consul LeRoy, "and a not well-founded race prejudice, which is, speaking of this particular district at least, a drawback to the extension of American commerce. Whatever Americans may choose to think of the Mexican peon class, it is undoubtedly progressing, even in relatively backward parts of Mexico. A well-defined middle class is already apparent and the building of factories, railroads, etc., and the work of the schools are constantly increasing it."

SPECIAL SESSION OVER BUG.

Legislature of Louisiana Called to Devise Means of Destroying the Boll Weevil.

A little bug, almost too small for individual notice, is taking up the time of several great states, and has even caused the Indiana legislature to be called into special session. This little boll weevil, says the Baltimore Sun, seems a very small matter to the people of the country at large, but to cotton growers its coming is fraught with prodigious evil.

For years it has been the boast of Texas that she could raise cotton enough to supply the world, and she did appear to be satisfied with raising about a third of all the American staple. But this little weevil crawled across the border from Mexico and has swept the cotton fields like a pestilence. Each year the domain of the weevil is spreading, and its kind is multiplying by billions. No effective means has yet been found to check the spread of the pest, and the entire cotton belt is alarmed.

The Louisiana special commission has recommended to the legislature that a non-cotton growing belt be created between that state and Texas, by which it is expected to starve out the weevil and stay its further progress northward.

Already the loss by this insect is probably \$25,000,000, and experts of the national and state government are doing everything in their power to devise some means to check this Texas terror.

POWERFUL CHINESE MEDICINES

One Dose of a Celestial Compound Can Safely Be Warranted to Kill or Cure.

"I have always heard that Chinese medicines are very powerful," said the city salesman, "but I never had any idea what a tremendous effect they were capable of producing on the system till I saw a Doyers street Chinaman take a pill the other day, and then I realized that one dose of a celestial compound can safely be warranted to kill or cure," says a New York exchange. "Never in my born days did I see such a pill. How on earth the fellow ever got it down is a mystery. It was fully as big as a pigeon's egg, and, so the patient told me afterward, fearfully bitter. Upon inquiry I found that that was a fair sample of most Chinese remedies. No matter what the nature of the medicine, it is generally made up into enormous pills, whose naturally bad taste is modified by nothing but a little licorice. These pills are inclosed in wax capsules which preserve them from the air and keep them from being broken to pieces before their time. Aside from the pills the only remedies used by orthodox Chinese in New York are a medicinal oil which they rub on the temples to cure headache, and a liquid made by boiling down the leaves, stems, seeds and roots of certain plants in a quantity of drinking water. According to my Doyers street authority, this fluid medicine is even stronger than the pills, for it has to be cooked till it is almost like a sirup and drunk scalding hot."

"It's a bad time to swap horses when you are crossing a stream."

That was Lincoln's famous reply to those who urged him to make a change in generals at a critical period of the Civil war.

Lincoln's saying is worth remembering, especially when you are asked to "swap" Dr. Pierce's Golden Medical Discovery for a bootless bargain, described as "just as good," at the critical time when health is at stake.

Dr. Pierce's Golden Medical Discovery is a medicine which has a record of ninety-eight per cent. of cures. It is an absolutely reliable family medicine, non-alcoholic and non-narcotic. It always helps; it almost always cures. Why should any one who is seeking a cure for sickness, and is persuaded that the "Discovery" will cure him, "swap" the substance for the shadow at the risk of health?

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. What is popularly termed "weak" stomach is the common cause of various forms of physical weakness, such as "weak" heart, "weak" lungs, "weak" or sluggish liver, "weak" nerves, etc. The entire body and its several organs are dependent for strength upon the food prepared in the stomach. The "weak" stomach cannot provide the food-strength for the various organs, which in their turn become "weak" and unable to accomplish the work for which they were designed. "Golden Medical Discovery" cures through the stomach diseases which have their cause in a diseased condition of the stomach and the allied organs of digestion and nutrition.

It enables the perfect digestion and assimilation of food by which the body is built up into a condition of sound health. It purifies the blood, driving out the poisons which breed and feed disease.

Preferred to Die.

"Have taken Dr. Pierce's Golden Medical Discovery and it did me more good than anything I could get," writes Mrs. Julia A. Wilcox, of Cypnet, Wood Co., Ohio, Box 25. "I doctored with three different doctors for weak heart, but they did me no good. I was so tired and discouraged if I had had my choice to live or die I would have preferred to die. My husband heard of 'Golden Medical Discovery' and he bought me a bottle. I took that and the first half seemed to help me. I took six bottles before I stopped. I am perfectly well and am cooking for boarders (I have six), and am taking in washing besides. I will truly say I think your medicine will do all it is recommended to do, and more. It has been a God-send to me. I will be willing to answer any letters of inquiry that any one wishes me to. If you think this will be the means of helping any poor suffering woman to obtain relief you may print and make any honest use of it you wish to."

Was Badfast.

"I had been sick for more than a year with kidney trouble," writes Mrs. Lucy Hayter, of Jacksonboro, Jackson Co., Texas. "Several different doctors treated me, but none did me any good. One doctor said I never could be cured; that I had Bright's Disease. I suffered nearly death at times, and spells the doctor called spasms. Was badfast most of the time for six months. My mother begged me to try Dr. Pierce's Golden Medical Discovery. With but little hope I wrote to Dr. Pierce and he said he could cure me. I began to take his 'Golden Medical Discovery,' and although I had given up to die, I began to improve from the start, and by the time I had taken twenty bottles I was entirely cured. I thank God for the 'Golden Medical Discovery.' I weigh more than ever before in my life, and believe I am entirely well."

Dr. Pierce's Common Sense Medical Adviser, containing 1008 pages, and over 700 illustrations, is sent free on receipt of stamps to defray expense of mailing only. Send 21 one-cent stamps for the book in paper cover, or 31 cents for the book in cloth binding. Address Dr. R. V. Pierce, Buffalo, N. Y.
