

The Week's News

Local and Personal Happenings in and About the City.

Dave Herren has returned from Portland.

Pendleton Business College is thorough.

Billy Reed was up from Ione, Thursday.

Dan Doherty was up from Lexington, yesterday.

George Vincent, of Butter creek, is in the city.

Price Florence returned from Portland, Thursday.

Ed C. Allen, of Fox, was a guest at the Palace, Sunday.

Attorney C. E. Redfield returned from Portland, Tuesday.

J. R. Nunnemaker returned from Hood River, Thursday.

A number of Ditch creek campers are returning to Heppner.

W. E. Allen, of Long Creek, was listed at the Palace, Sunday.

Pendleton Business College reopens September 11th. Are you ready?

List your lands with Wells & Warnock. We sell only on a straight commission.

Mrs. J. A. Woolery, of Ione, was registered at the Palace, Thursday.

Wells & Warnock will handle your real estate and charge only the usual commission.

Semi-Weekly Portland Journal and Heppner Gazette only \$1.75 per year.

Dr. Higgs, Eyes, Ear, Nose and Throat. Glasses properly fitted.

H. A. Murphy and family, of Monument, were registered at the Palace, Sunday.

\$1.00 to \$3.50 Shoes and low Shoes at 50c the pair. See window of Cash Shoe Store.

Webster Chandler, who has been visiting his brother, P. F. Chandler, of John Day, has returned to this city.

Mr. and Mrs. C. O. Huelat were passengers for Portland today. Mrs. Huelat will visit relatives and friends in Salem before returning to this city.

If the issuance of hunter's licenses is a true indication, hunters in Morrow county are almost as scarce as hen's teeth. Up to the present time only 23 hunters' licenses have been issued by the county clerk.

The Gazette is indebted to Mrs. W. G. McCarty for some very fine California peaches. The peaches were grown on the farm of Mrs. Rosa Truitt in Tulare county. Mrs. Truitt is a sister of Mr. McCarty and he is now in California visiting her.

Dan P. Doherty, of Lexington, formerly of Heppner, and a well known resident of this county who recently sold out at Lexington, will move to Pendleton, having purchased the Alta hotel at that place. Mr. Doherty will take charge of the hotel about September 1. The deal includes the building and the lot on which it stands. The consideration was \$8,500.

Claude Herren will leave today for the Powder River country where his sheep are ranging for the summer. Mr. Herren will stay during the summer with the sheep and will take them this fall to Idaho where he will keep them near Payette this winter. He expects to locate in Idaho. In partnership with O. E. Farnsworth, of this city, they have 4500 head of sheep.

J. P. Rhea was up from Ione, Monday.

L. E. McBee, of Cecil, spent Sunday in the city.

W. E. Pruyn was a passenger for Portland, Saturday.

Ed and Frank Templeton, of John Day, were in the city Monday.

Mr. and Mrs. Lee Matlock have returned from an outing trip in the mountains.

J. P. Kingsland, representing an Iowa horse importing company, was in the city this week on his way from Prairie City where he has just sold a fine Percheron stallion for \$2800.

Heppner needs more residence buildings for rent. There is now a good demand for houses with hardly a vacant building in the town. As soon as school commences the demand will be greater.

Frank Roberts returned Friday evening from Fairhaven, Wash. He reports that his little daughter's health is improving and that she will stay with her mother at Fairhaven for some time.

J. H. Kinsman shipped two carloads of fat stock to the Union Meat company this week. The animals were purchased from Wm. and Thos. Marlatt. The prices paid were \$2.00 per hundred for cows and \$2.75 for steers.

Percy Hughes brought in 50 head of fat cows from the John Day country Saturday. The animals were sold to the Union Meat company of Portland. They were shipped out Sunday morning in charge of J. H. Phirman.

Sam Willis, a former resident of Morrow county who has been in Iowa for the past year, has returned to this city. Mr. Willie intends to again locate in Morrow county and says that this country is good enough for him.

Mr. and Mrs. T. C. Hynd, of Ontario, Canada, a brother of the Hynd brothers of this city and vicinity, is visiting the latter. Mr. Hynd is a thrifty and prosperous farmer and will spend some time on a vacation and visit with his brothers here.

As threshing progresses reports still continue to come in of good yields of wheat in the upper or northern portion of Morrow county. In the Eight-Mile country the yields are running from 20 to 28 bushels per acre. In the Sand Hollow country the yields are running from 15 to 20 bushels to the acre. Everywhere the quality is reported to be good.

A number of Eastern sheep-buyers are now in the interior, notably at Shaniko. Antelope and Mitchell. Owing to the fact that the haying season is still in progress and growers are inclined to hold there is not much doing at present. There is more of an Eastern demand this season than usual for lambs and yearlings and prices are high.

Jacob S. Myers, of Columbus, Ohio, special agent of the U. S. census of manufactures, was in the city this week gathering data for the bureau in which he is employed. He will cover census district No. 5 which includes the eastern half of Oregon. His duty is to collect information from all classes of manufacturing concerns where the output exceeds \$500 per year, the report covering the year 1924. The concerns listed in Heppner are: Heppner Gazette, Heppner Times, James Cowins & Son, soda works, Heppner Flouring mills, E. G. Noble, saddles and harness, D. W. Hornor, saddles, A. M. Slocum, planing mills and saw mills, and Otto Friedrich Heppner bakery. Mr. Myers finished up the work in a short time and left Monday morning.

"THE FAIR"

Heppner's Biggest, Busiest and Best Department Stores

Thos. Rhea returned from Portland, Monday evening.

W. B. Potter returned from Portland, Monday evening.

New wheat is now beginning to come in in small quantities. The Morrow Warehouse Milling company received some this week from the Lexington country. The quality of the wheat brought in so far has been first-class.

Owing to increased business on the O. R. & N. caused by the tourist rush, a fifth crew has been put in service between Pendleton and Huntington. The four regular crews have been unable to take care of the large amount of work.

Mr. and Mrs. E. M. Churchill, of the Pendleton Business College, were in the city the latter part of last week. They were here in the interest of this popular school. The school reopens on September 11. The institution has a well earned reputation for thorough business methods.

Threshing is now under headway in Morrow county and fields are turning out up to the expectations of the farmers. In the Sand Hollow country a number of farmers have already threshed their grain. A. Andrews threshed 180 acres of wheat that averaged 20 bushels to the acre. Several other fields averaged 20 bushels to the acre which is fully as good as was expected.
