CATARRH ANNOYING-DANGEROUS

Catarrh is usually regarded as nothing more serious than a bad cold or slight inflammation of the inner skin and tissues of the head and throat, when it is, in fact, not only a vexatious and troublesome disease, but a complicated and dangerous one. It is true that Catarrh usually begins with a cold in the head, but when the poisons, which are thrown off through the secretions, find their way into the blood, it becomes a constitutional trouble that affects all parts of the body. It has more annoying and disgusting symptoms than any other disease. There is a sickening and offensive discharge from the nostrils, a constant buzzing noise in the ears, headaches and pains in the eyes are frequent, while filthy, tenacious matter drops back into the throat requiring continual hawking and spitting, and in certain stages of the disease the breath has an odor that is very offensive. Catarrh is worse in winter, because the cold weather closes the pores and glands, and the poisons and unhealthy vapors which should pass off that way are thrown back on the tender linings and tissues, causing the inflammation which starts the unhealthy secretions to be absorbed by the blood. When the blood becomes diseased with this catarrhal matter all kinds of complications may be looked for. As the blood circulates through the body the foul matter finds its way into the stomach, ruining the digestion and producing chronic dyspepsia, or Catarrh of the stomach. It also affects the kidneys, bladder and other members of the body, while the general health is weakened, appetite lost and the patient feels despondent and half sick all the time. But worst of all, if the trouble is not checked the lungs become diseased from the constant passage of poisoned blood through them, and Catarrh terminates in consumption, the most fatal of all diseases. You cannot get rid of Catarrh by treating it with sprays, washes, inhalations, etc., because they only reach the membranes and tissues, while the real cause of the trouble is in the blood. These relieve the annoying symptoms for a time, but the poison is all the while getting a stronger hold on the system and when they are left off will manifest itself in worse form than before. S. S. S. is the greatest of all blood purifiers, and when it has cleansed the blood, this pure, rich stream circulates through the body, carrying healthful properties to the diseased parts. Then the inflamed membranes and tissues begin to heal, the discharges cease, the general condition of the system is strengthened, every one of the annoying and disgusting symptoms pass away, and the patient is left in perfect health. S. S. S. is the best remedy for Catarrh. It goes right into the blood and removes all effete matter and catarrhal poison and cures the disease permanently, and at the same time builds up the entire system by its tonic effect. S. S. S. is a purely vegetable remedy—non-injurious to the system and a certain, reliable cure for Catarrh. Catarrh sufferers will find our free consulting department helpful in advising local treatment to be used with S. S. S.

Several years ago my blood was bad and I had in addition a dreadful case of Catarrh. My nose was stopped up, I had headaches, ringing noises in my ears and felt unfit for work. I commenced the use of S. S. S. on the recommendation of a friend, and in a short time it cured me sound and well. I put my blood in good condition and I have never had the slightest return of the Catarrh since that time.

How to Fool a Lazy Liver with Artificial Exercise

EVERY serious Sickness has a small beginning.
And, in nine cases out of ten that small beginning is made in the Bowels.
Indigestion is the beginning of most diseases.
It paves the way for all others.
Lack of exercise, hasty eating, improper food, are its first causes.
Laziness, and postponement, permits it to grow into Chronic Constipation, which means life-long Discomfort.
It isn't necessary to be sick-a-bed, you know, in order to be mighty uncomfortable.
Even slight indigestion affects the nerves, dulls the mind, and obscures the merry sunshine of Life.
And, indigestion once started, grows fast, corrodes temperament, and discounts happiness, good cheer, capacity.
It does that long before it puts you on the Sick list.
Every thinking Doctor knows why.

Professor Rand knew it.
That's why he framed up for students his famous formula for Happiness, viz.: "Trust in God, and keep your Bowels open."
The Bowels need adjustment from time to time, just like a clock, or a watch.
No "Good time" is humanly possible without this.

And, the time to adjust the watch is not when it has run down, nor when the main spring is broken, but at the very minute adjustment is discovered necessary.

The time to adjust the Bowels is not merely when your Head Aches, when your Liver is Sick, your Stomach in Revolt, and Nature's Food Process retarded for 24 hours or longer.

The proper time to adjust them is the very minute you suspect they need adjustment.

The time to use a Cascaret is when you first suspect you need one.
The only way to have them ready to use precisely when you need them is to carry them constantly in your pocket, as you do a Watch or a Lead pencil.

The ten cent box of Cascarets is made thin, flat, round-edged, and small, for this precise purpose.
Be very careful to get the genuine, made only by the Sterling Remedy Company and never sold in bulk. Every tablet stamped "CCC."

FREE TO OUR FRIENDS!
We want to send to our friends a beautiful French-designed, GOLD-PLATED BUNION BOX, hard-enamelled in color. It is a beauty for the dressing table. Ten cents in stamps is asked as a measure of good faith and to cover cost of Cascarets, with which this dainty trinket is loaded. Send today, mentioning this paper. Address: Sterling Remedy Company, Chicago or New York.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.
