Uncle James Neville Dies Suddenly in Portland.

Uncle James Neville, one of Morrow county's oldest pioneers, died very suddenly at the home of his daughter in Portland, last Sunday evening. Mr. Neville went to Portland about two months ago to retire from farm life in this county.

Up to the time of his death he had always enjoyed good health and on the day just previous to his death he was unusually cheerful. His death was caused by the rupture of a blood vessel in the brain.

James Neville was born in Adair, county of Limerick, Ireland, 76 years ago, coming to America when 14 years of age.

He came to Heppner, August 16, 1872, and has been a resident of Morrow county ever since that time until he went to Portland a short time ago.
