Public school will open in this city on Monday, September 10, with Prof. D. V. S. Reid again at the helm and Miss Ethel G. Reid, Mrs. E. L. Freeland, Misses Lenna L. Reid, Lillian Cochran, Blanche Riddle, Luella Crank and Rosa Smith as assistants. The Heppner public schools will open for the school year this season with bright prospects. Prof. D. V. S. Reid returned from Monument Thursday where he has been surveying irrigating ditches for J. J. Simas, Emmet Cochran and Oscar Schafer. Prof. Reid surveyed for Simas & Cochran about 3 1-2 miles of ditch and for Mr. Schafer about one half mile. The water will be taken from the John Day river and the ditches will irrigate about 200 acres of land which will be put to alfalfa. As alfalfa land under irrigation can be safely figured to return a profit of from \$20 to \$25 an acre, the application of water will greatly add to the value of the lands owned by the enterprising people of Monument.
