

Our Annual Pre-Inventory and REMNANT SALE

Our unprecedented business prior to the Holidays has left an unusual number of Remnants and Broken Lines of Merchandise in every department in the store. In order to dispose of these quickly, before taking our Annual Inventory, which we take the first of each year, we have decided to put on this Big Sale now. We will take every remnant, and every piece of merchandise of which we have not a full line left, as well as all Winter Merchandise and put prices on them that will cause them to move at once and quickly too. It is so much easier to count the "coin of the realm" than to measure each piece of merchandise that for our own convenience we will put such attractive prices on these goods that you cannot resist helping us on this task by exchanging your coin for our stock.

Just what they will do has not yet been determined but it is likely that the matter will be carried to the head of the department that has charge of the forest reserves, in order to set aside the ruling of the supervisor if possible. They say they must have a permit or they will be compelled to sell all or a portion of their bands.
