

RHEUMATISM CAN NOT BE RUBBED AWAY

It is perfectly natural to rub the spot that hurts, and when the muscles, nerves, joints and bones are throbbing and twitching with the pains of Rheumatism the sufferer is apt to turn to the liniment bottle, or some other external application, in an effort to get relief from the disease, by producing counter-irritation on the flesh. Such treatment will quiet the pain temporarily, but can have no direct curative effect on the real disease because it does not reach the blood, where the cause is located. Rheumatism is more than skin deep—it is rooted and grounded in the blood and can only be reached by constitutional treatment—IT CANNOT BE RUBBED AWAY. Rheumatism is due to an excess of uric acid in the blood, brought about by the accumulation in the system of refuse matter which the natural avenues of bodily waste, the bowels and kidneys, have failed to carry off. This refuse matter, coming in contact with the different acids of the body, forms uric acid which is absorbed into the blood and distributed to all parts of the body, and Rheumatism gets possession of the system. The aches and pains are only symptoms, and though they may be scattered or relieved for a time by surface treatment, they will reappear at the first exposure to cold or dampness, or after an attack of indigestion or other irregularity. Rheumatism can never be permanently cured while the circulation remains saturated with irritating, pain-producing uric acid poison. The disease will shift from muscle to muscle or joint to joint, settling on the nerves, causing inflammation and swelling and such terrible pains that the nervous system is often shattered, the health undermined, and perhaps the patient becomes deformed and crippled for life. S. S. S. thoroughly cleanses the blood and renovates the circulation by neutralizing the acids and expelling all foreign matter from the system. It warms and invigorates the blood so that instead

S.S.S. PURELY VEGETABLE

of a weak, sour stream, constantly depositing acid and corrosive matter in the muscles, nerves, joints and bones, the body is fed and nourished by rich, health-sustaining blood which completely and permanently cures Rheumatism. S. S. S. is composed of both purifying and tonic properties—just what is needed in every case of Rheumatism. It contains no potash, alkali or other mineral ingredient, but is made entirely of purifying, healing extracts and juices of roots, herbs and barks. If you are suffering from Rheumatism do not waste valuable time trying to rub a blood disease away, but begin the use of S. S. S. and write us about your case and our physicians will give you any information or advice desired free of charge and will send our special treatise on Rheumatism.

Warning Notes Calling the Wicked to Repentance.

The man who really wants to do something for the Lord will not lack for a chance. Some give according to their means, and others according to their meanness.

The love that is blind is generally cross-eyed. Going back generally begins by looking back.

The man who would lead must be the first to start. It don't make a sin any whiter to call it a mistake.

It is hard to find the line between bragging and lying.

The man who counts his way to the Lord will never find it hedged up.

Finding fault with others is only a roundabout way of bragging on self.

You can't tell who is in the hearse by the length of the funeral procession.

There are good sermons in stones, but it takes hard picking to get them out.

It is a dishonor to be able to do a good work that ought to be done, and not do it.

Every man has something to do with making public sentiment, and public sentiment is the power that gives law its life.

There are preachers who so exhaust the subject of religion on Sunday that they appear to avoid it all the rest of the week.

TAR HEEL SOCIETY EVENT.

Brilliant Splendors of a Party Painted in Iridescent Hues.

The elegant home of that sparkling little jewel Miss Elsie Moore, who is as pretty as a picture and as bright as an icicle and as pure as a dewdrop and as sweet as a flower, was a sparkling scene of radiant loveliness last night, for this beautiful little maiden and her handsome and magnificently formed sister had invited a number of their friends to assemble in honor of the beautiful and bewitching Miss Nedra Taylor and the charming and fascinating Miss Rosalie Setzer, who are now dispensing their charms and witcheries in Wilson and making so many hearts drunk with the intoxicating potations of their intoxicating graces.

It was indeed a scene of rarest loveliness, for many of Wilson's brightest gems were there in all of their richest luster and were rivaling in their brilliancy the exquisite bejewelings of those resplendent jewels in whose honor this delightful entertainment was given. As said before, it was a brilliant scene of joyous festivity, for the lovely faces of our glorious little maidens were as radiant as the pure and stainless gleamings of a crystal rubber over in the glittering polish of shimmering sunbeams and burnished with the dazzling strikes of quivering lightning. And as these merry maidens, with sparkling eyes and beaming faces and musical laughter, moved to and fro like symphonies of grace they poured into that channel of enjoyment a stream of silver light and tinted each ripple in that joyous current with a sunbeam of brightest cheer.

And we fancy that as our handsome and gallant young lads looked down into the radiant depths of such sparkling eyes—eyes whose faintest glimmer would make the glistening skies of blooming midnight pale with envy turn and no more let their feeble torches burn—yes, we fancy that these young boys felt that Cupid had come to their young hearts on a mission as sweet as odors come when vernal breezes and passionate sunbeams woo and kiss the budding flowers and make them breathe the fragrance of springtime's richest bowers.—Wilson Times.

Mothers will find Mrs. Winslow's Soothing Syrup the best remedy to use for their children during the teething period.

Wrong Man. While Dooly was holding court in Washington County, Georgia, a certain General Hanson came in and sat down at the side of the judge, and began to tell him about the vast amounts of property he owned.

"Stop just a moment, general," said Dooly. "Mr. Sheriff, call in Jones, the receiver of tax returns."

In a few moments that worthy appeared. "Mr. Receiver," said the judge, "come up here and make an inventory of General Hanson's property. He had mistaken me for you."—Sunday Magazine.

Of Interest to Women.

Every woman naturally should be healthy and strong, but a great many women, unfortunately, are not, owing to the unnatural condition of the lives we lead. Headache, backache and a general tired condition are prevalent amongst the women of today and to relieve these conditions women rush to the druggists for a bottle of some preparation to supply the need particularly for them, and containing nobody knows what. If they would just get a box of Brandreth's Pills, and take them regularly every night for a time all their trouble would disappear, as these pills regulate the organs of the feminine system. The same dose has the same effect, no matter how long they are used. Brandreth's Pills have been in use for over a century and are sold in every drug and medicine store, plain or sugar-coated.

Deafness Cannot Be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; unless cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

The Yankee Notion.

There never lived a more steady and persistent grumbler than Reuben Hall. Not only the weather, the state of his health and his crops furnished him with subjects, but the most reasonable and lenient laws which could be constructed raised discontent in Reuben's mind.

"I dunno what they mean by telling folks to cart their waste stuff over to that dump at the end of Grantham's Woods instead of leaving it in the Lawton sular-hole," he said, indignantly, one day. "Suppose the sular-hole does show up from the road, what business has this town got to put an injunction on folks dumping stuff in it?"

"The town's bought the old Lawton place," said his neighbor, in the pacific tone people usually employed in addressing Mr. Hall. "And I thought you were one of those that said 'twas an eyesore. Do you want to dump any of your old junk in there, Reub, tidy as you are?"

"No, I don't want'er," said Mr. Hall, sullenly; "but I want'er when I want'er in case I want'er, an' I want'er know why I haven't got it."

Where to Buy

When you visit Portland, Spokane, Tacoma, Seattle, Everett, Bellingham or San Francisco, you should call and see the Pianos exhibited by Sherman, Clay & Co. Their Portland store is opposite the postoffice, Sixth and Morrison streets.

WHERE TO BUY

A PIANO

When Sherman, Clay & Company, the old Pacific Coast Piano House, which has been doing business at the corner of Kearney and Sutter streets, San Francisco, for over thirty-five years, purchased the Piano business of the Allen & Gilbert-Kanaker Co. It was every-where admitted that it was the most significant transaction ever announced concerning the music business of the Pacific Northwest.

Important, because Sherman, Clay & Company are so well known as a staunch, reliable firm. They have a one-price system. Every Piano is marked in plain figures. A child can buy a Piano from Sherman, Clay & Company just as safely as can a state senator, and at the same price. They are Pacific Coast agents for the famous Steinway piano; also many other standard makes such as the Knabe, Everett, Mason & Hamlin, Hurdman, A. B. Chase, Eschler, Packard, Conover, Ludwig, Kingsbury, Estey, Emerson, Sterling, Wellington, Huntington and Mendelssohn.
