

EVERYBODY BUSY

Road Work is Being Delayed by Scarcity of Teams.

The busy season is here, especially with the farmers. During the beautiful weather, farmers are rushing spring seeding as fast as possible.

The work on irrigation ditches in Umatilla county has taken a number of teams from this county.

This, with the fact that the farmers are so busy, has caused some delay in road work owing to the fact that teams cannot be secured.

Activity among the stockmen is already beginning to be felt. The shearing and lambing season will soon be here.

There is no excuse in Morrow county for any one being idle who wants to work.

CLEAN UP DAY

Tuesday, March 12, Heppner Will be Renovated.

At the regular meeting of the city council last Monday evening, next Thursday, March 12, was designated as the day for the people of Heppner to make a general clean up, not only of front yards but back yards as well.

The city will see that the streets are thoroughly cleaned and will furnish teams to transport all rubbish if gathered up.

The time of year has arrived when it is necessary to make a general clean up.

Every citizen should get enthusiasm and let us make clean up day a day of real cleaning.

VIOLIN CONCERT

Christian Hansen, the Scandinavian Violinist, Coming to Heppner.

The Young Peoples Society of Christian Endeavor of Heppner has secured Christian Hansen, the noted Scandinavian violinist, who will give a concert on Saturday evening of this week at 8:30 o'clock at the Christian Church.

Mr. Hansen comes well recommended and numerous clippings from the press bear testimony to the excellence of his repertoire and the efficiency of his performance. Note the following comment: "The Knigh's of Pythias hall was crowded last night to hear Christian Hansen, the noted violinist. Those present were amply repaid for attending as Mr. Hansen is by far the finest artist on the violin that has visited the city for many years. His interpretation of the masters was a revelation to those even who had heard the leading violinists of all lands, his technique being perfect. The program was a varied one and covered the entire range of light and heavy music, and was therefore well qualified to meet all his hearers. Mr. Hansen will receive a warm welcome should he ever come to the Capitol City again."—Bismarck Daily Tribune, Nov. 14, 1906.

From all reports you will miss a treat if you do not attend this entertainment. Prices 50 and 35 cents. Reserved seats on sale Friday at 4 o'clock p. m. at the Heppner Drug Co. store.

County Sunday School Convention

The County Sunday School convention was held at Ione, last Friday and Saturday. The attendance was rather small, but the interest was good. The following officers were elected for the ensuing year: Prof. W. C. Howard; vice-president, Rev. T. W. Atkinson; Secretary, L. D. McCall; Treasurer, Paul Balsiger; Sup. Home Department, H. Taylor; Elementary Supt., Mrs. Gertrude White; Teacher Training Supt., Rev. J. B. Hoadley; Executive Committee, E. H. Andrews for one year, Rev. E. T. Allen for two years, and Vawter Crawford for three years.

State Field Worker Phipps was present and proved himself a host in helping to make the convention a success. Nearly all the Sunday schools have paid their assessment of three cents per member for the support of the state work. If all will send their assessments to the treasurer at Ione soon, the assessment will be paid in full for the year before the state convention.
