Conser, yesterday evening, in hon-
or of Miss Mayne West, of Port-

a soft pink by crepe paper shades.
The delicate colors of the pink

carried out in all the decorations
and also the refreshments. Pink
punch was served in a cut glass
punch bowl. The table and plate
doylies were decorated with apple

and the cakes were white, iced
with pink. Tables were provided

A Gazette representative visited
the Whetstone sheep shearing
plant on last Sunday, which is in
operation on Hinton creek at the
Whetstone farm. The plant start-
ed last Saturday and when we
visited them they were certainly
rolling the wool off the sheeps
back. The crew is a fast bunch of
shearers and their daily average is
2000 sheep.

Jim Huddleston and Bert Sig-
bee went out to J. B's ranch, near
Lone Rock, Saturday, returning
Sunday evening.

A Lazy Liver

May be only a tired liver, or a starved
liver. It would be a stupid as well as
savage thing to beat a weary or starved
man because he lagged in his work. So
in treating the lagging, torpid liver it is
a great mistake to lash it with strong
drastic drugs. A torpid liver is but an
indication of an ill-nourished, enfeebled
body whose organs are weary with over
work. Start with the stomach and allied
organs of digestion and nutrition. Put
them in working order and see how
quickly your liver will become active.
Dr. Pierce's Golden Medical Discovery
has made many marvelous cures of "liver
trouble" by its wonderful control of the
organs of digestion and nutrition. It re-
stores the normal activity of the stomach,
increases the secretions of the stomach-
making glands, cleanses the system from poi-
sonous accumulations, and so relieves the
liver of the burdens imposed upon it by
the defection of other organs.

If you have bitter or bad taste in the morn-
ing, poor or variable appetite, coated tongue,
foul breath, constipated or irregular bowels,
feel weak, easily tired, despondent, frequent
headaches, pain or distress in "small of back,"
gravelling or distressed feeling in stomach,
perhaps nausea, bitter or sour "rising" in
throat after eating, and kindred symptoms
of weak stomach and torpid liver, no medi-
cine will relieve you more promptly or cure
you more permanently than Doctor Pierce's
Golden Medical Discovery. Perhaps only
a part of the above symptoms will be present
at one time and yet point to torpid liver or
biliousness and weak stomach. Avoid all
hot bread and biscuits, griddle cakes and
other indigestible food and take the "Golden
Medical Discovery" regularly and stick to its
use until you are vigorous and strong.

The "Discovery" is non-secret, non-alco-
holic, is a glyceric extract of native medi-
cinal roots with a full list of its ingredients
printed on each bottle-wrapper and attested
under oath. Its ingredients are endorsed
and extolled by the most eminent medical
writers of the age and are recommended to
cure the diseases for which it is advised.
Don't accept a substitute of unknown
composition for this non-secret medicine
