PUBLIC SCHOOL NOTES.

The Play, Bachelors Congress, a Success—Alumni and Graduation Exercises.

The Bachelors Congress presented by the public school pupils, on last Friday evening, was quite a success in both production and finance. There were no particular stars and every character was well presented. The play was not heavy in any particular, but was filled with mirth from start to finish and reflects credit upon those taking part. The proceeds will be used to defray the expenses of the graduation exercises on tomorrow evening.

The graduating exercises of the High school will be held on Friday evening of this week in the Christian church. Besides the usual program there will be an address delivered by Victor Dorris L. L. D., of Pendleton, who is a very able and interesting speaker. The exercises will therefore be of a very interesting nature.

After the graduating exercises all the graduates are cordially invited to attend and participate in a social reunion and banquet in the Odd Fellows hall.

The following is a list of the names of the graduates of the Heppner High school. Any one observing any errors or omissions will confer a favor by notifying the principal of the school, D. V. S. Reid, of the same in order that a complete and correct list may be had.
