GIRLS BOOM
OLD OREGON
Columns of Space Devoted by Easter Papers.

From the Rocky mountains to New York City, north to St. Paul and westward to Vancouver, British Columbia the 15 Oregon young women, who returned recently from a three weeks' tour under the auspices of Philip S. Bates, publisher of the Pacific Northwest, gained for the state an unprecedented publicity. Oregon's inducements to the homebuilder, investor and manufacturer, became better known in the east during the time spent there by the party than would have been possible except through the expenditure of an enormous sum for advertising.
Newspapers in Omaha, Chicago, Buffalo, Washington, New York City, in fact in every city in which the party stopped, devoted columns of space and photographs relative to the Oregon excursionists. When the special train reached New York City 12 reporters and five photographers were at the depot to meet the party.
All of the New York papers spread the fame of Oregon. The New York World published photographs of the 15 members of the party and used a six-column head over the article written by one of its special writers.
Chicago papers were equally generous with their accounts. Front page articles and photographs appeared in practically all of the leading journals in the largest cities in the east.
The Omaha Bee sent a special car to Kearney, Nebraska, to meet the party, together with a staff correspondent and photographer. The Associated Press also began sending accounts from the time that the young women reached Nebraska and its reports were spread broadcast throughout the east. Senator Bourne took the party in charge at Washington where they met the president and visited points of interest, going thence to Norfolk, where ship was taken to New York City.
"There is a tremendous interest manifested in the east relative to Oregon," said Mr. Bates. "At every hotel where we stopped I was plied with questions from capitalists, prospective settlers and others. The young women distributed 60,000 pieces of literature pertaining to

this state among passengers on the various trains and a personal inspection of the cars by myself showed that not one of these pamphlets was left in the seats. Besides, there was a call for more after the supply was exhausted.

No party was ever received with more courteous treatment by the railroads, public officials and general public, and the trip has been of inestimable benefit to Oregon from a publicity standpoint. The young women are so well pleased that they have formed an association and intend annually now to visit new sections of the United States and spread the fame of Oregon."
In appreciation of the pleasures of the trip the young women presented Mr. Bates with a silver loving cup upon leaving Chicago and a piece of Tiffany ware was given the chaperon, Mrs. Redfield.

WOOL SALES OFF
(Continued from page one.)

the price paid was 18 1-2c cents.
Owing to the fact that part of their wool had become wet the Cunningham company did not have its wool offered at the recent sales day, and the price offered then for the damaged portion was considered unsatisfactory. In order to ascertain the exact value of the clip it was decided by the company to have the wool scoured in Pendleton and sell it upon a scoured basis. This was done with the dampened portion of the clip, and the shrinkage was found to be 69 1-2 per cent, which was less than what had been estimated by the buyers.

DRIFTING TOWARDS BRIGHT'S DISEASE
Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

FOLEY'S KIDNEY CURE
stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc.
If you have any signs of Kidney or Bladder Trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

How to Find Out.
You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

G. B. Burhans Testifies After Four Years.
G. B. Burhans of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."
