Celebration Success.

(Continued from page one.)

The Heppner baseball team composed principally of the high school boys crossed bats with the Eight Mile team at the high school hill grounds.

While the score was high and the game was characterized by numerous errors on both sides, still there were many interesting plays. The Heppner boys started off in the lead and seemed to have the game in their pockets but the Eight Mile boys got their second wind in the fourth inning and encircled the diamond so many times that it looked like it was all off with the home team.

The Heppner boys again got down to business and won out by a score of 13 to 15.

After the ball game the balloon ascension was announced and the large crowd assembled on the old Heppner hotel lot on lower Main street.

At this trial the inflation of the bag was a success and the balloonist entertained the people with a splendid exhibition.

Prof. Wardell mingled with the clouds at a heighth of about 3,000 feet and made a pretty parachute jump landing in a field above town without a scratch.

After the balloon ascension the races in the streets were pulled off.

The 100 yard foot race was won by Walter Gay.

Vic Groshens won the fat man's race and it is said that it was the stoutest race ever run in Heppner.

Harry Jones took first in the boy's race.

Gay Bros. were the winners of the three legged race.

The Second Day.

The second day opened with the mercury considerably higher than on the Fourth.

The forenoon was taken up with horse races at the depot.

There were three exciting races, Lafe Penland's mare, Gid Hat's mare and Ralph Jones' mare were the winners.

In the afternoon the Heppner baseball team and the Eight Mile boys again met on the school house diamond.

The home team pitcher, Pete Eaton's got warmed up on the second game and the Eight Mile boys certainly got what was coming to them.

It was a one sided game in which the farmer lads went down to defeat to the tune of 11 to 2.

Following the ball game the bucking horse contest was an interesting feature which was pulled off on the ball grounds.

There were a number of bad horses and they were ridden by expert riders.

Lee Wells, from Wheeler county carried off the fine saddle as the first prize, and Ad. Moore was awarded the second prize—a pair of fine shaps.

The first accident during the celebration, but not of a serious nature, occurred during the bucking contest. Mrs. Brown of Monument who was there with her little son, was knocked down in the wild rush to get away from a bucking horse. The little boy was struck with the horse and was knocked down. He was picked up in an unconscious condition, but fortunately was not seriously hurt.

Mrs. Brown escaped without injury.

At the second balloon ascension there was an accident and it was almost a miracle that the ending was not fatal.

Fred Feltman who was inside of the balloon bag to keep the canvas away from the flames during the work of inflating, was overcome with gas and heat. He was being talked to by the aeronaut all the time, who understood the dangerous position. When Feltman failed to respond to the calls of the balloonist, he well understood Feltman's position. Grabbing the ropes from the parachute he yelled for the men to let go and when the balloon shot into the air Feltman was found prone on the ground, his face black with soot and unconscious. Everyone thought that he was dead, but he was resuscitated by hard work and a liberal application of cold water.

The balloon was not properly inflated and this placed the balloonist in a dangerous position.

The balloon came down rapidly and Prof. Wardell received a hard jolt when he struck the ground.

Outside of the two accidents, everything passed off in perfect order. Everything was orderly and a good time was the general verdict.

The dance at the commercial club house was well attended on both evenings.

DRIFTING TOWARDS BRIGHT'S DISEASE

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

FOLEY'S KIDNEY CURE

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc.

If you have any signs of Kidney or Bladder Trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

How to Find Out.

You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

G. B. Burhans Testifies After Four Years.

G. B. Burhans of Carlisle Center, N. Y., writes:

"About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."

Two Sizes, 50 Cents and $1.00.
