Send a pamphlet advertising Morrow county to friend in the East.

The American navy outranks Japan more than to one. This is strong peace argument.

Hood River's strawberry crop amounted to 45 car loads, or 55,000 crates valued at \$150,000.

For the man who wants to work Morrow county offers big inducements. There are plenty of jobs at big wages.

New wheat is being contracted for at 75 cents per bushel in Umatilla county. The big price and big crop makes a happy combination for the farmer.

Montana's wool clip amounted to 30,000,000 pounds this season. Of this amount 20,000,000 pounds have been sold at an average of about 21 cents per pound. Taking it all around the growers have realized as good prices this year as last.

The sheep men have had their inning this season with the most prosperous year in the history of the business, now comes the farmers turn with the biggest yield since 1891. At six bits a bushel the farmers pocket book will be filled to overflowing.

J. A. Woolery will visit the district fair at Pendleton this fall and will take along a good exhibit of Morrow county products. This is something in which we should all be interested. Morrow county people can and should make our exhibit at Pendleton this year much better than last year.

A Portland law firm is advertising "divorces made easy". In most cases clients need not appear in court, say the attorneys. They are offering big inducements in the way of low fee to be paid on the installment plan, etc., making it as easy to pay for a divorce as to pay rent. This makes it so people can afford to get married several times.

RELEASED FROM COUNTY JAIL.

Frakes Brother and Sister Given Eredom.

James Frakes and his sister Sadie who have been confined in the county jail charged with stealing a watch from their father, are enjoying their liberty having been released in response to an order issued by Judge Bean at Pendleton. The case was of little consequence considering the circumstances surrounding it and the act of the unnatural father.

The facts were communicated to Judge Bean by Deputy District Attorney Notson and Sheriff Shutt and Judge Bean immediately ordered the release of the prisoners.

It seems that being in jail was sort of a family affair with the Frakes family. An older brother, Glen, aged about 22 years, is now in the Wasco county jail at The Dalles, serving a 50 day sentence for larceny. The older Frakes boy as soon as he gets out of jail at The Dalles will have to face a charge of forgery.

Frakes forged his brother James' name to an order on McCullough Bros. for \$9. The order was cashed by Gilliam & Bisbee, and as soon as the forgery was detect-

ed the matter was placed in the hands of Sheriff Shutt who located Frakes in the Wasco county jail.

Mrs. Addie Davies was electrocuted at Fort Collins, Col., as she was turning on an electric light which was very heavily charged and the insulation defective.

The largest sum of money ever paid for a collie was paid recently to an English breeder, Mr. Mason of Southport, when he received \$6.51 for the champion Fquire of Tytton.

Carl Dunn and Pres. Mott, very dug out of the Enterprise, Wallowa county jail and are at large. Dunn is charged with horse stealing, and Montgomery was in jail in default of bonds to keep the peace.

The packing season for Quinault salmon at Hoquiam Wash., has ended. The pack for the season was 2000 cases, or 500 more than last year. This year's pack is the largest ever made, and is valued at \$10,600.

The Knock-out Blow.

The blow which knocked out Corbett was a revelation to the prize fighters. From the earliest days of the ring the knock-out blow was aimed for the jaw, the temple or the jugular vein. Stomach punches were thrown in to worry and weary the fighter, but if a scientific man had told one of the old fighters that the most vulnerable spot was the region of the stomach, he'd have laughed at him for an ignoramus. Dr. Pierce is bringing home to the public a parallel fact; that the stomach is the most vulnerable organ out of the prize ring as well as in it. We protect our heads, throats, feet and lungs, but the stomach we are utterly indifferent to, until disease finds the solar plexus and knocks us out. Make your stomach sound and strong by the use of Doctor Pierce's Golden Medical Discovery, and you protect yourself in your most vulnerable spot. "Golden Medical Discovery" cures "weak stomach," indigestion, or dyspepsia, torpid liver, bad, thin and impure blood and other diseases of the organs of digestion and nutrition.

The "Golden Medical Discovery" has a specific curative effect upon all mucous surfaces and hence cures catarrh, no matter where located or what stage it may have reached. In Nasal Catarrh it is well to cleanse the passages with Dr. Sage's Catarrh Remedy fluid while using the "Discovery" as a constitutional remedy. Why the "Golden Medical Discovery" cures catarrhal diseases, as of the stomach, bowels, bladder and other pelvic organs will be plain to you if you will read a booklet of extracts from the writings of eminent medical authorities, endorsing its ingredients and explaining their curative properties. It is mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y. This booklet gives all the ingredients entering into Dr. Pierce's medicines from which it will be seen that they contain not a drop of alcohol, pure, triple-refined glycerine being used instead.

Dr. Pierce's great thousand-page illustrated Common Sense Medical Adviser will be sent free, paper-bound, for 21 one-cent stamps, or cloth-bound for 31 stamps. Address Dr. Pierce as above.

Look out for Pride of Morrow county.

All pears and late apples should be sprayed now and again in three weeks, this will insure clean fruit, otherwise it will be wormy and unfit to eat. You can get the spray of me at cost.
