

The Heppner Gazette

Established March 30, 1885.
ISSUED THURSDAY MORNING.

Fred Warnock

Entered at the Postoffice at Heppner Oregon, as second-class matter.

THURSDAY..... AUG. 29, 1907.

A. Bennett has been appointed postmaster at Irrigon. Mr. Bennett edits the Irrigon Irrigator and The Dalles Optimist, and now he is postmaster. If he keeps on he will soon have Editor Thomas of the Lexington Wheatfield on the shelf in the matter of work.

The interstate commerce commission issued a note of warning recently to the people of the north-west states saying a fuel famine threatens to strike this section the coming winter, and urges them to get their season's supply of fuel now. The commission prophesies coal will command \$25 a ton in Montana before the winter is over.

The Gold Hill Chamber of Commerce is arranging for the first annual convention of the Oregon Angler's Association, to be held on the 14th of September. Owing to an error of the legislature there is practically no law for the protection of trout in Oregon and this meeting will be for the protection of trout which are fast disappearing.

The Portland Commercial Club once circulated 327,000 leaflets in thirty days. The club will begin next Thursday the circulation of 400,000 somewhat similar prints in twenty days. The central feature of this leaflet, a copy of which it is desired shall accompany every letter that goes out of Portland and vicinity, is the colonist rates which begin September 1st and continue until October 31st, and should by this time be familiar to our readers.

The trouble always has been, and always will be, mostly with Heppner and her people. Anything that does not materially help Heppner is of no consequence to them says the Lexington Wheatfield, and in another breath the Wheatfield says that no town can build itself by trying to down some other town, we must all work in harmony. It would seem that the Wheatfield rejoices in a dig at Heppner but would like "harmony" from Heppner people. The Wheatfield has several other wails that are so far from the facts that they are not worthy of notice. The Wheatfield man has probably been working too hard and has had a bad attack of dyspepsia.

The Morrow-Umatilla fair held at Pendleton, September 23-28, under the management of the Third District Agricultural Society, promises to be much more interesting than last year. Three thousand dollars in cash will be awarded in premiums. Special attention will be given to the exhibits and both Morrow and Umatilla counties will be well represented. There is decidedly more interest taken in the fair this season in Morrow county, and our exhibit will be much more complete and attractive than last year. Now that we are going to have an exhibit let us make it a good one.

Two persons, Mary Clemonson and Thomas Hange, lost their lives in a tornado at Eau Claire Wis. In addition one boy was injured, 27 barns, two school houses, one church and various other buildings were destroyed. Property loss is estimated at \$75,000.

A burglar entered the home of R. J. Young at The Dalles and stole about \$20 in money from the house early in the morning while Mr. Young was doing the chores and his wife was getting breakfast. One of the children saw a man getting into the window.

Words of Praise

For the several ingredients of which Dr. Pierce's medicines are composed, as given by leaders in all the several schools of medicine, should have far more weight than any amount of non-professional testimonials. Dr. Pierce's Favorite Prescription has the badge of honesty on every bottle-wrapper, in a full list of all its ingredients printed in plain English.

If you are an invalid woman and suffer from frequent headache, backache, gnawing distress in stomach, periodical pains, disagreeable catarrhal pelvic drain, dragging-down distress in lower abdomen or pelvis, perhaps dark spots or specks dancing before the eyes, faint spells and kindred symptoms caused by female weakness, or other derangement of the feminine organs, you can not do better than take Dr. Pierce's Favorite Prescription.

The hospital, surgeon's knife and operating table may be avoided by the timely use of "Favorite Prescription" in such cases. Thereby the obnoxious examinations and local treatments of the family physician can be avoided and a thorough course of successful treatment carried out in the privacy of the home. "Favorite Prescription" is composed of the very best native medicinal roots known to medical science for the cure of woman's peculiar ailments, contains no alcohol and no harmful or habit-forming drugs.

Do not expect too much from "Favorite Prescription"; it will not perform miracles; it will not dissolve or cure tumors. No medicine will. It will do as much to establish vigorous health in most weaknesses and ailments peculiarly incident to women as any medicine can. It must be given a fair chance by perseverance in its use for a reasonable length of time.

You can't afford to accept a secret nostrum as a substitute for this remedy of known composition.

Sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is guarded as sacredly secret and womanly confidences are protected by professional privacy. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets the laxative and regulator of the bowels. They invigorate stomach, liver and bowels. One a laxative; two or three cathartic. Easy to take as candy.
