THIRD DISTRICT FAIR A SUCCESS

Many Premiums Awarded To Morrow County People.

The Third District Fair which closed at Pendleton last Sunday was a great success.

Morrow county people speak very highly of the treatment received at the hands of Umatilla county people.

O. P. Henderson who had charge of the Morrow county exhibit says that the only fault he had was the fact that there were not enough Morrow county people there.

Morrow county people carried off many premiums.

In the way of fine stock W. O. Minor's Shorthorns were in a class by themselves and carried off 10 premiums. Mr. Minor also received two premiums on hogs.

Making Good.

There is no way of making lasting friends like "Making Good," and Doctor Pierce's medicines well exemplify this and their friends, after more than two decades of popularity, are numbered by the hundreds of thousands. They have "made good" and they have not made drunkards.

A good, honest, square-deal medicine of known composition is Dr. Pierce's Golden Medical Discovery. It still enjoys an immense sale, while most of the preparations that have come into prominence in the earlier period of its popularity have "gone by the board" and are never more heard of. There must be some reason for this long-time popularity and that is to be found in its superior merits. When once given a fair trial for weak stomach, or for liver and blood affections, its superior curative qualities are soon manifest; hence it has survived and grown in popularity, while scores of less meritorious articles have suddenly flashed into favor for a brief period and then been as soon forgotten.

For a torpid liver with its attendant indigestion, dyspepsia, headache, perhaps dizziness, foul breath, nasty coated tongue, with bitter taste, loss of appetite, with distress after eating, nervousness and debility, nothing is so good as Dr. Pierce's Golden Medical Discovery. It's an honest, square-deal medicine with all its ingredients printed on bottle-wrappers—no secret, no hocus-pocus humbug, therefore don't accept a substitute that the dealer may possibly make a little bigger profit. Insist on your right to have what you call for.

Look for Dr. Pierce's Favorite Prescription, expecting it to prove a "cure-all." It is only advised for woman's special ailments. It makes weak women strong and sick women well. Less advertised than some preparations sold for like purposes, its sterling curative virtues still maintain its position in the front ranks, where it stood over two decades ago. As an invigorating tonic and strengthening nerve-tonic it is unequalled. It won't satisfy those who want "bezoar," for there is not a drop of alcohol in it.

Dr. Pierce's Pleasant Pellets, the original Little Liver Pills, although the first pill of their kind in the market, still lead, and when once tried are ever afterwards in favor. Easy to take as candy—one to three a dose. Much imitated but never equaled.
