GILLIAM & BISBEE

See our Line Before you Buy.

Whether you finally buy of us or not. For your sake, for family's sake, and the sake of economy, see us, get our prices before you buy.

To buy right means to sell right. We have bought right and have the advantage over less fortunate competitors.

We are recognized as the "Price Makers" of this section of Oregon. Others may meet some of our prices but none lower them. Then why not come here first.

## QUALITY GUARANTEED

We guarantee the quality of our goods to be as good and better than any offered you by the long price merchants with the view of their superior quality.

Our Groceries are bought at home, and you will find the same labels, brands and package in any of the grocery stores in the Northwest. Same goods at less money here.

Our wants in Dry Goods and Clothing are supplied by such houses in the East, whose reputation is established by years of fair dealing and better price making and as responsible as any in our land. We back their goods and our prices.
