1000 Tons Coal Per Day.

All of New York City welcomed the record breaking Lusitania as she swung into her dock bearing the title of the "Queen of the Seas," which it wrested from its German rivals, says a New York dispatch. Three hundred and twenty three firemen under orders to work their limit, fed the furnaces between 950 and 1000 tons of pickled British navy Welch coal, each day, in order that this result might be obtained.

On Tuesday night the officers gave each fireman a bottle of ale in appreciation of his efforts. Next day the Lusitania broke all sea going records by reeling off 617 knots and made the hourly record of 24.76 knots or nautical miles, or about 28 miles per hour.

Eugene's new streetcar line is already a paying business.

The Albany Herald advocates the municipal ownership of that town's public utilities.

A farmer near Baker City says crop of timothy hay on 70 acres yielded \$40 an acre.

The Mill creek region in Polk county is becoming a heavy poultry producing neighborhood, poultry raising if well attended to being found profitable.

The Farmer's Wife

Is very careful about her churn. She scalds it thoroughly after using, and gives it a sun bath to sweeten it. She knows that if her churn is sour it will taint the butter that is made in it. The stomach is a churn. In the stomach and digestive and nutritive tracts are performed processes which are almost exactly like the churning of butter. Is it not apparent then that if this stomach-churn is foul it makes foul all which is put into it?

The evil of a foul stomach is not alone the bad taste in the mouth and the foul breath caused by it, but the corruption of the pure current of blood and the dissemination of disease throughout the body. Dr. Pierce's Golden Medical Discovery makes the sour and foul stomach sweet. It does for the stomach what the washing and sun bath do for the churn—absolutely removes every tainting or corrupting element. In this way it cures blotches, pimples, eruptions, scrofulous swellings, sores, or open eating ulcers and all humors or diseases arising from bad blood.

If you have bitter, nasty, foul taste in your mouth, coated tongue, foul breath, are weak and easily tired, feel depressed and despondent, have frequent headaches, dizzy attacks, gnawing or distress in stomach, constipated or irregular bowels, sour or bitter risings after eating and poor appetite, these symptoms, or any considerable number of them, indicate that you are suffering from biliousness, torpid or lazy liver with the usual accompanying indigestion, or dyspepsia and their attendant derangements.

The best agents known to medical science for the cure of the above symptoms are Dr. Pierce's Golden Medical Discovery, Dr. Pierce's Kidney and Bladder Cure, Dr. Pierce's Peppermint Cure, Dr. Pierce's Sarsaparilla, Dr. Pierce's Electric Balm, Dr. Pierce's Golden Medical Discovery, Dr. Pierce's Golden Medical Discovery, Dr. Pierce's Golden Medical Discovery.
