

LOOM END SALE

The wonderful success of our Loom End sale surpassed our greatest expectations and the tremendous sales greatly depleted our original stock. Our Loom End Sale has called forth favorable comment from all sections and has won the appreciation of thousands. The crowds that attended this big sale the opening day received sensational values and they profited greatly; there was enthusiastic buying in every department. No wonder, think of buying merchandise at about one-fourth or one-half regular prices. We wish to announce that this sale, each consecutive day, will witness the going of values even greater than those of opening days.
