SCHOOL TEAM RETURNS

Basketball Players Have a Successful Trip.

The high school basketball team returned Sunday from a trip to Umatilla county. The boys left here on the 17th, playing the Umatilla club team Tuesday evening.

The game at Umatilla was not satisfactory to the boys, although it turned out about as well as they expected. The hall at Umatilla is entirely inadequate for basketball, and it worked a hardship on the Heppner boys to throw baskets. The final score was 24 to 7 in favor of Umatilla.

From Umatilla the Heppner boys went to Pendleton, where on Wednesday evening they played the Pendleton Business college basketball team. At this game the result was different, the Heppner boys winning the game by a score of 23 to 20.

The boys report a fine trip, and that they were greatly benefited by meeting with the outside teams. They were banqueted by the Business college team after the game.

The following boys made up the team:

Forwards, Glen Jones, Smead, Williams; center, Turner; guards, Morgan, Alvah Jones; sub, Hallock.

Nursing Mothers and

Over-burdened Women

All stations of life, whose vigor and vitality may have been undermined and broken down by over-work, exacting social duties, the too frequent bearing of children, or other causes, will find in Dr. Pierce's Favorite Prescription the most potent, invigorating restorative strength ever devised for their special benefit. Nursing mothers will find it especially valuable in sustaining their strength and promoting an abundant and healthy milk supply. Expectant mothers will find it a priceless aid to prepare the system for baby's coming and rendering the period comparatively painless. It can be taken in any state or condition of the female system.

Delicate, nervous, weak women, who suffer from frequent headaches, back-aches, dragging-down distress low down in the abdomen, or from painful or irregular monthly periods, gnawing or distressed sensation in stomach, dizzy or faint spells, see imaginary specks or spots floating before eyes, have disagreeable, excessive catarrhal drain, prolapsus, anteversion or retroversion or other displacement of woman's organs from weakness or parts will, whether they experience many or only a few of the above symptoms, find relief and a permanent cure by taking faithfully and fairly persistently Dr. Pierce's Favorite Prescription.

This world-famed specific for woman's weakness and peculiar ailments is a pure glyceric extract of the choicest natural medicinal roots without a drop of alcohol in its make-up. All its ingredients are printed in plain English on its bottle wrapper and attested under oath. Dr. Pierce thus invites the fullest investigation of his formula, knowing that it will be found to contain only the best agents known to the most advanced medical science of all the different schools of practice for the cure of woman's peculiar weaknesses and ailments.

If you want to know more about the composition and professional endorsement of the "Favorite Prescription," send a card request to Dr. R. V. Pierce, Littleton, N. Y., for his free booklet "Treatment of Women."

You can't afford to accept as a substitute for this remedy of known composition a secret nostrum of unknown composition. I don't do it.
