Correspondence of the East Oregonian: The grain fields in the vicinity of Weston never looked better than they do at this time. Fall sown grain shows an even growth, and in many places it is four and five inches high. Spring work is well under way, and the farmers are all very optimistic over the prospects for the next season.

Rev. Charles H. Porter has some of the finest White Wadotte chickens in the Northwest. They are beauties and the greatest of all egg layers. Three pens, each headed by prize winning males. Pen No. 1 by cockerel winning in six shows. No. 2 by cockerel winning in three shows this year. No. 3 by 3-d prize cockerel at Salem three years ago. See these "Royal Whites" and get some settings of eggs.

Notice to Taxpayers.

Next Monday, April 6, is the last day on which taxes can be paid without penalty and interest. After above date, 10 per cent penalty and 12 per cent interest will be added.

Machine Fighting Cake.

Antagonistic to the verge of bitterness remnants of the old machine which once dominated Oregon politics have taken up the fight for the defeat of Statement No. 1 and all who favor that method.

In Portland and the other large cities of the state, the machine crowd is centering its fight upon H. M. Cake, candidate for the Republican nomination for United States Senator. Mr. Cake is a firm believer in the popular election of United States senators and because of his belief in the people, has incurred the enmity of the old machine politicians. Those who are close to the situation, however, believe that the machine fight against Mr. Cake is the best thing that could happen for his campaign.

The people of Oregon expressed by their adoption of the primary law and Statement No. 1, what they thought of machine methods. The old system had brought shame and disgrace upon the state—had made the city of Salem almost a Gomorrah in the way of political wickedness. Periodicals and newspapers of national circulation pointed to our state as one of sordid political corruption, of disgraceful scandals.

It is in the hope of reviving this old method by the defeat of Statement No. 1 and of Mr. Cake, that the machine politicians of started such a bitter crusade against this new law. Indeed it is their only hope. Under the present system they are without a job. It is impossible for a dictator to sit in his office and say what shall and shall not be done by the people of Oregon. No longer is a Saturnalia of bribery and corruption possible in Salem.

Evidences of this hostility on the part of the "system" have been apparent in various towns where Mr. Cake has spoken during his present itinerary. Large crowds have flocked to hear him, but conspicuous by their absence, were the old-time leaders. And in this connection it is a fact worth mentioning that most of these antagonistic politicians are either office holders or have some claim upon those who are at present in office.

The people who are rallying to Mr. Cake's standard are those Republicans who are intensely loyal to their party but who resent any such dictatorial methods as the old machine was wont to use.

It is a foregone conclusion that Statement No. 1 will prevail in Oregon at the coming election. It is also a foregone conclusion that Mr. Cake—he only real active supporter of this measure—will be elected if the Republican voters of this state do their duty. And there is no room for doubt but that they will perform that duty.

Resolutions of Condolence.

At a special convocation of Heppner Chapter No. 26, R. A. M., held in their Temple on the 31st day of March, 1908, the following resolutions were unanimously adopted:

Whereas, it has pleased He Almighty of the Universe to remove from our midst our beloved Companion, Geo. Conser, who at the time of his death held the office of Secretary of the Chapter and had been true and faithful in that office ever since the Chapter was organized;

Be it Resolved, That in the death of Companion Conser the Chapter laments the loss of a brother who was ever ready to proffer the hand of aid, the voice of sympathy, to the needy and distressed of fraternity. Companion Conser was an upright man and Mason, a just and worthy citizen and one beloved by all. We shall not see his face again within our halls but the memory of his kindly association with us and of his many deeds of goodness and charity are laid up among the imperishable records of our lodge and in the hearts of all who knew him.

Resolved that the heartfelt sympathy of the Chapter be extended to the wife, relatives and friends of Companion Conser in their affliction;

Resolved that these resolutions be spread upon the records of Heppner Chapter No. 26, R. A. M., and a copy thereof be transmitted to the wife of our deceased Companion and to each of the newspapers of Heppner, Oregon.

Committee, P. O. Borz, A. Andrews, E. L. Freeland.

Phil Cohn, at the Heppner warehouse, will pay the highest price for hides, pelts, and furs. Seed wheat, oats, rye, and barley on hand.

Our Clothing for Boys

Mothers take pride in having their boys well dressed, and this involves correct style. We are as particular about boys styles as about men's, but careful that exclusiveness does not mean extravagance. Our boys section was never so full of novelties, never seemed so bright. You are welcome to look, never under obligation to buy. There isn't a youth in this vicinity whose father, no matter what his income, cannot afford to dress him well by our system.
