### Estray Notice.

There came to my place about three weeks ago, two dark brown horses, one branded H. O. on left hip and H. O. on right shoulder, saddle and collar marks, weight about 1100 pounds. I owned this horse about three years ago last summer. Other horse branded on left shoulder, brand not discernible. Left fore foot club; shod on fore feet, weight about 1300. Both horses have roached manes.

### LOCAL NOTES

Mrs. L. E. Cohn carries the nicest line of millinery in Morrow county. Call and see.

L. E. McBee, who was in the city yesterday, states that he has been irrigating for 36 days. He has 300 acres in alfalfa.

E. D. Trumbull, deputy State Labor Commissioner, was in the city Saturday looking after the work connected with that office.

Now is the time to buy your new hat. Don't wait. The earlier you buy the more you have to select from. For style and economy go to Mrs. Cohn's.

The First National Bank of Heppner was a factor in saving a large number of people from financial trouble during the "hard times" of 1893 to 1897, and to this bank is due the credit for a large part of the County's financial prosperity. This fact will not soon be forgotten by the people who appreciate a friend in time of need. Twenty years of continued prosperity has proved the First National to be one of the solid institutions of the country.

The State Sunday School convention will be held at Forest Grove, April 27-29. Every school is entitled to one delegate beside the pastor. Delegates will be entertained free. The railroads make a rate of one and one-third fare to visitors and delegates. It is hoped that the several schools of this county will send in their reports and contributions to the state work at once to Paul Balsiger, at Ione, and that each school will send a delegate to the convention. Marion Lawrence, E. O. Excell, and W. C. Merritt will be at the convention.

Miss Lillian Johnson of Heppner has been engaged to teach a four month term of school in the Schott district beginning April 6th. As Miss Johnson has proven herself to be an able teacher we predict the same success that has followed her work in other places.—Condon Times.

W. H. Barry, representing Bashington & Co., was in the city, Tuesday.

James Fargan of Grants Pass, is 102, and hale and hearty, and never used whiskey or tobacco.

The pleasant rain of yesterday will be of much benefit. The only trouble there was not quite enough of it.

The ladies of the Baptist church will hold a window sale next Saturday, beginning at 10:30 a. m., at the Palm.

Rev. Wherry, Baptist colporter of Oregon held services in the Baptist church in this city Sunday morning and evening.

The Elks concert and dance will be given Friday evening, April 24th. The Birgfeld orchestra will be here to furnish music for the occasion.

Echo Register: Hundreds of families will soon be settled on the lands of the Furnish canal and the Hinkle tracts. They will build and improve and demonstrate what can be done. They should be encouraged, welcomed, helped and honestly advised. We need them. They need us.

Miss Lena Glasscock entertained a party of friends Tuesday evening in honor of Miss Maude Mills. Piffo was the game of the evening. Mr. Fred Fleet succeeded in carrying off the prize, which was a neat little book entitled "Roasts". Dr. M. A. Leach secured the largest number of lobsters which entitled him to the booby. There was no special prize awarded in that line, but the Doctor did get a petrified pickle in the refreshments.

The Holstein Cattle association of Tillamook county, Oregon, has been formed, as it is claimed that this breed of dairy cattle is better adapted for that section, where cheesemaking is the principal object of the cowkeepers. The association will secure a large consignment of young pure-bred Holsteins from the best-known breeders of the east. It is proposed to make Tillamook the greatest cheese manufacturing section of the country.

### The Band Concert.

The band concert given by the Ione Cornet band last Thursday evening was quite a success. While there was not a very large crowd present, due, perhaps, to the lack of advertising, those who were there appreciated the band's efforts and applauded the several numbers very heartily. The solo features of the program were especially good. Prof. Kaiser rendered La Secrete in a very creditable manner, while Miss Britt as accompanist and piano soloist, did exceptionally well.

## H. M. CAKE

### Republican Candidate for Nomination for United States Senator.

Mr. Cake is the advocate of Statement No. 1 and the popular election of United States Senators; two years ago he took the stump for his successful opponent. He deserves the support of every loyal Republican who believes in pure politics. The machine element concedes his nomination if the people go to the polls, but boasts that believers in Statement No. 1 will not be interested enough to vote at the primaries. This is the last appeal to those who believe in the popular election of United States Senators to assert the rights which the old machine is trying to wrest from them.
