

Easter Greetings

Last Call to Easter Fixin's

The last days before Easter will be crowded ones at this store. Every possible preparation has been made that we may be able to wait upon all our patrons with perfect efficiency. Throughout the store Easter temptations reign in every stock and many price concessions are made that must prove irresistible to the stylishly and economically inclined. We demand that every dollar's worth of goods that enters this store be of a quality we can guarantee. You will be perfectly satisfied with the goods you get and the prices you pay. We insist that all marked prices be the very lowest, consistent with satisfactory quality. On this basis we ask your patronage and court comparison.

Golden Gate Baking Powder

Abosutely Pure and None Better

For a year we have been fighting for lower prices. The factory refused to sell us because we would not enter the local combine to keep up the prices to one pound 50c; two and one half pounds \$1.00; five pounds \$2.00; but Marquardsen wins out and is able to offer to the public the Golden Gate Baking Powder at a lower price.

Marquardsen's Price		Combination Price	
One pound	40	Combination price	50
Two and one half lbs.	90	Combination price	\$1 00
Five pounds	\$1 75	Combination price	2 00
Total	\$3 05	Combination	\$3 50

Marquardsen saves you about 15 per cent on the same goods

This is only one instance. We can compare prices on nearly all goods down the line, and prove to your satisfaction that we do save the people of Morrow county thousands of dollars a year if they will buy their merchandise at our store.

A PLEA FOR THE HOME MERCHANT.

The fact that two of the largest department stores of Portland are making preparations to build immense new buildings, is suggestive, and a plea for the home merchant.

When you send in a mail order to them and think that you are saving money on your purchase don't overlook the thought that you are making a contribution of a few bricks in those new buildings. The taxes on those great buildings will not be paid here.

Would it not be better to put a few bricks in the building of your local dealer? He will at least help you with the burden of taxation.

While the big department stores of the city are building big buildings and growing rich, the local dealer is struggling to pay taxes and all other burdens of local and county affairs.

Think about this when you want to send away again and then burn up the order.

Henry Webb died at the Grant county poorhouse, aged almost 96 years.

Williamina is making rapid strides toward becoming one of the principal towns of Yamhill county. They are preparing to erect a new \$5,000 schoolhouse, the machinery for the brick plant is on hand and being installed, new houses are being built, merchandise stocks being moved in and the sawmill is busy.

The well at the courthouse has reached a depth of 960 feet and they have come into an oil strata, says the Vale Oriano. The quantity is very small but experts report the indications as good right in Vale as in any part of the valley.

The new Corvallis cannery will be finished in about two weeks.

Several of a Peedee Hills (Polk county) man's young goats have recently been killed by a wildcat. Six big cats have been killed in that vicinity by the Hanna brothers, but the goats continue to be killed almost daily.

The money collected for road purposes in Alsea this year is \$6,993.73. All but \$700 of the money is derived from a special 10-mill road levy.

Toledo is already preparing to celebrate the Fourth of July.
