Garfield Crawford returned from Portland, Friday evening where he had been to purchase a moving picture outfit. He has bought the best machines and the finest and most complete electric lighting plant that could be had. He expects to have the Orpheum running full blast next week.

Frank Evans of the Penland Batters district was in the city, Saturday. Mr. Evans states that his wheat averaged from 17 to 20 bushels to the acre, and his spring oats turned out 29 bushels to the acre. This a good yield for a dry season and is ample proof that the Penland Batters country is a good agricultural district. Mr. Evans states that harvesting is finished in his district.

The usual large bands of cattle have begun to move from Grant county to the outside markets. Prices are better than was anticipated but the expense of handling the stock is greater than it has been in past years and the question of feeding is becoming a serious one in some localities. It is stated that feed can be secured as far as Ukiah but from that point north feed and pasture will be scarce. Hay is reported at \$16 a ton and pasture will be cheap at 8 cents for cattle. — Long Creek Ranger.

Active at 87

This would be unusual news if men and women would keep themselves free from rheumatism and all aches and pains as well as keeping their muscles and joints limber with Ballard's Snow Liniment. Patterson & Son.

The Laziest Man in the World would not be contented to be kept in the house and doing nothing by rheumatism. Neither are you, who are always busy and active. Then don't neglect the first twinge of an ache or pain that you might think is just a "crick." Rub well with Ballard's Snow Liniment and no matter what the trouble is, it will disappear at once.
