Meet Requirements

IF A PURE CLOTHES
law should be passed and pure clothes inspectors appointed by the government, special honorable mention would be given to the XTRAGOOD brand we sell. Everyone would want to buy of us. Moreover, if such laws required the strictest sanitary precautions on the part of the makers, and prescribed a high standard of quality for linings and cloths, and called for a certain grade of tailoring for garments at each price, from the lowest to the highest, we would be found to exceed demands in every particular.

Are you getting Boys and Young Mens Clothes with the best quality and style? Are you, for a fact? Or is it doubtful?
