

WOMEN'S SUITS--STYLES ARE LEGION

Every style that's safe and worth while is shown in our extensive stock. Coats of any style to ankle length, trimmed as plain as you please. Even the less expensive suits come in the fashionable Brown, Green, as well as Blues and Blacks, solid colors and shadow stripe effects.

BRAINS AND A SCIENTIFIC NEEDLE

We spend every working day in the year and many nights, thinking, studying, buying and selling good dependable Ladies Suits and Skirts. We may not know the most but precious few know more than we do pertaining to fit. 'Tis a strong statement to make we are aware, but by the great amount of suits sold and the appreciation the public has given us we are placed foremost in line. They seem told of it. A stock and store of which we are justly proud of.

We Can Fit You Easily, even if your waist measure makes shoe lacing a burden, or your chest measure makes padding a necessity. We are always pleased to satisfy our customers. Come in and look around, no trouble for us to show goods.
