Don't forget that it is the duty of every reader of this paper to write to some friend at a distance and tell him of the advantages of Oregon both as to climate and production. Remember that the people of the older states, where the weather is cold, are hovering around the fire and have lots of time to read—get busy.

A Hair's Breadth Escape.

Do you know that every time you have a cough or cold and let it run on thinking it will just cure itself you are inviting pneumonia, consumption or some other pulmonary trouble? Don't risk it. Put your lungs back in perfect health and stop that cough with Ballard's Horehound Syrup. Price 25c, 50c, and \$1.00 per bottle. Patterson & Son.

Steelhead fishing is improving above Astoria, says the Budget. One man is catching from 200 to 300 pounds daily below Cathlamet and one day another caught 460 pounds. The winter run is reported to be of fine quality, and the price has advanced to 5 cents a pound.

A Broken Back.

That pain in your back caused by lumbago, stiff muscles or a strain is an easy thing to get rid of. Ballard's Snow Liniment cures rheumatism, lumbago, sore and stiff muscles, strains, sprains, cuts, burns, bruises, scalds and all aches and pains. You need a bottle in your house. Sold by Patterson & Son.

Next spring when work is resumed on the Drain-Coos Bay railroad, Drain will experience a tremendous building boom. It is sure to become a great and thriving city within a few years, thinks the Non-Paral.
