Resolutions.

Be it resolved by the Neighbors of Heppner Camp No. 60, W. O. W., that in the loss and bereavement of Neighbor W. E. Walbridge and family of their daughter, Mary Wilma, we realize that God in His allwise providence has bereft them of a young and promising life, whose earthly career held glowing promise of a noble Christian future. While she has now taken up that spiritual life eternal in the heavens; we rejoice in the beautiful example of child faith she has given to all.
 Be it further resolved that we extend our heartfelt sympathy to neighbor Walbridge and family and that a copy of these resolutions be spread upon the records of the Camp and a copy of the same be furnished each of the local newspapers.

Annual Stockholders Meeting.

The annual meeting of the stockholders of the Bank of Heppner was held at the office of the Bank on Tuesday afternoon at 3 o'clock. At this meeting there was present a large number of the stockholders in person and all the stock was voted with the exception of thirty shares.
 The following board of directors and officers for the ensuing year were chosen: Directors, W. O. Minor, J. H. McHaley, W. G. Scott, C. E. Woodson and W. S. Wharton; officers, W. O. Minor, president, J. H. McHaley, vice-president, W. S. Wharton, cashier, Vawter Crawford, assistant cashier. This being a re-election of the former board of directors and officers.
 The policy of this bank is co-operation, just as far as possible, of its board of directors and officers with the stockholders, and it was gratifying to have such a large personal representation of stock present at the meeting, and the interest shown in the welfare of the bank by those holding the stock points to a successful future.
 The reports of the direct or and cashier were presented and they show a successful and profitable year's business.
 The Bank of Heppner is now entirely owned by local people, no stock what ever being held by outside parties.

After 13 ballots R. R. Butler was selected to carry Oregon's four votes for Taft to Washington. The four Republican electors, R. R. Butler, J. D. Lee, A. C. Marsters, and F. J. Miller, canvassed Oregon's vote Saturday. Miller, being a State Senator, could not serve as messenger. The vote on messenger was a tie between Lee and Butler for 12 ballots, Butler receiving three votes on the 13th.

Notice to Fruit Growers.

You must spray your apple and pear trees within the next 30 days with a liquid made by dissolving 12 pounds blue vitrol in 100 gallons of water. This is the most effective treatment known for all fungus diseases, including anthracnose (derived from anthrax, meaning carbuncle) which forms black spots on the trunk and limbs, which soon destroys the tree. Some of the best authorities say fungus diseases are more destructive and more to be dreaded than all insect life. Every orchard in Morrow county must be cleaned up this season. You have had ample time to accustom yourselves to this work, by using the blue vitriol spray now, and a thorough spraying in February, or early March, with lime and sulphur, either the Rex Spray or Niagara Spray made at Hood River. This will make all trees clean and healthy after the fruit sets. The trees must be sprayed three times at intervals of about 20 days with arsenate of lead. By doing this we will have no more wormy apples. We have not sprayed nearly enough for the Codlin Moth. I am going to devote the larger part of my time with you during this winter. I will show you how to prune and clean your orchards up. You will find it most profitable work. Our splendid success at the Umatilla-Morrow Co. Fair, at Pendleton should greatly encourage all of us. Now I am in deadly earnest, this work must be done as I suggest. I have been most reasonable with all of you. I am determined that Morrow county will make a new record this coming season, and our trees must be in clean, vigorous condition, to get the best results, and our people have had to eat wormy fruit long enough. I am going to be with you a great deal this coming year, and I shall gather a display while inspecting the orchards, and I ask you to begin your plans now to grow choice vegetables and fruits for exhibition.
 We should have a street carnival in Heppner for two or three days, before the Pendleton fair, showing our own people what we have. Now I have to depend largely upon your help in this work. The work is so scattered I can't possibly be present at all places while spraying, but I can and will come to your homes and consult with you, and show you how to do. And if you don't try to do anything, I can prevent your selling any unclean fruit, and destroy your diseased trees. I don't expect any trouble in this way. I have been trying to get some word of advice or encouragement from our district inspector, R. H. Weber, at The Dalles, during the three years I have been fruit inspector. I have not received one word from him in regard to it, and I feel that a censuring would be preferable to this Eternal Silence.

HARRY CUMMINGS,
 Fruit Inspector for Morrow County.
 Dated at Heppner, Ore., Dec. 12, 1908.

Just the Thing for this Cold Snap

Sheep Lined Duck and Corduroy Coats-6.50 to \$22.50

Also if you need them

BLANKETS, JACKETS, OVER-SHOES, FURS, GLOVES, WOOL UNDEPWEAR, ETC.

Owing to the fact that the present cold spell has made it nearly impossible for our customers to get out to trade.

We have extended the date of closing our PRE INVENTORY SALE ONE WEEK MORE.
