CASTORIA

THE CENTAUR COMPANY, NEW YORK CITY.

ON FIRST BALLOT
CHAMBERLAINELECTED U. S. SENATOR.

Thirty-four Votes in House and Nineteen in Senate.

George E. Chamberlain was elected United States Senator at noon, Tuesday, by the Oregon Legislature on the first ballot. He received 53 votes of the 90.

Of these he received 34 in the House and 19 in the Senate.

All pledged members kept their promises. Chamberlain was expected to receive at least 51, but secured two more.

The detailed vote follows: In the Senate: Chamberlain, 19; Fulton, 7; Calk, 4; Robert S. Beau, 1.

In the House: Chamberlain, 34; Calk, 14; Fulton.

The two unpledged members who voted for Chamberlain were Senator Kay and Representative Muncy. There were mild demonstrations in the Senate and more vociferous ones in the House. In the lower House it became necessary for Speaker McArthur to call for order.

Fifteen men voted under protest. Seven protested Chamberlain and eight protested Calk. Of the seven voting for Chamberlain under protest, six were State One men. The seventh was Muncy.

The following protested Chamberlain: Senators Scholfield and Johnson, Representatives Brady, Davis, Mahone, Richardson, and Muncy.

The following protested Calk: Senators Coffey and Cole, Representatives Applegate, Beals, Bonebrake, Buchanan, Carter and Mann. The result of these protests is to be determined later. They are designed to be the foundation for some method of having Chamberlain refused a seat at Washington.

At Paso Robles Hot Springs.

Among the many charming stopping places in California is Paso Robles Hot Springs.

Here are conditions ideal for restful recreation; quiet, congenial surroundings and modern, almost luxurious accommodations.

Paso Robles Hot Springs is a winter resort hotel with the hospitality of a home; a healing Spring without the atmosphere of a sanatorium; an enchanting country place with the conveniences of a great resort.

Ask any O. R. & N. Agent for illustrated booklet, "Paso Robles Hot Springs."

ROUGH and DRESSED LUMBER

Lumber is now being hauled from the mill to Heppner where yards will be established.

Orders promptly filled

The mill has a running capacity of 20,000 feet per day.

Herrin & Wilder, Props.

School Notes.

School District No. 25 has lately added considerable apparatus, which is duly appreciated by the teacher and pupils. Some new blackboards are soon to be provided. The outbuildings have been repaired and put in first class condition.

Quite a sum of money was raised recently by a box social in the Blackhorse district. The proceeds are to be used in erecting a shed for the horses which the pupils from a distance ride to school.

The Fairview school board has ordered some new blackboards. They hold to the motto, "The best is good enough for us."

District No. 23, north of Lexington, has been making some improvements. New outbuildings have been erected, including a woodshed and a stable for a few horses. A cloak room has been built at the front of the school house. The people of this district do not intend to be behind the times in anything.

The new room in the Hardman school will be completed as soon as the lath arrive and the plastering can be done.

The pupils of the Lexington school are delighted with the new reading room and gymnasium. "The May-Be", the newspaper published by the pupils, now has its headquarters at the reading room.

Co. Supt.

What the Kidneys Do.

Their unceasing work keeps us strong and healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, etc.

Mrs. Geo. Shipley living in the northern part of Heppner, Ore., says: "My kidneys gave me a great deal of annoyance for years. My back ached acutely and when I stooped or lifted anything, or brought any strain on the muscles of the back, the pains would become more pronounced. At times I could not rest well on account of the pains through my kidneys and there were so many other symptoms which denoted a disordered condition of these organs that I decided to try Doan's Kidney Pills, procuring a box at the Slocum Drug Co. I used the contents when I noticed a great improvement in my condition, continued taking them and they relieved all the troubles. Doan's Kidney Pills have proven of great value to me and I cheerfully recommend them."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's and take no other.

Consumption Statistics

prove that a neglected cold or cough puts the lungs in so bad a condition that consumption germs find a fertile field for fastening on one. Stop the cough just as soon as it appears with Ballard's Horehound syrup. Soothes the torn and inflamed tissues and makes you well again. Sold by Patterson & Son.

It will be a mint of gold for the stock raisers of the lower Umatilla and Butter creek when the packing houses of Portland open up. The hog will be the pride of the family when fattened on on alfalfa meal he goes to the city by the carload.

Gilliam county will have a \$15,000 school building.

Hexamethylenetetramine

The above is the name of a German chemical, which is one of the many valuable ingredients of Foley's Kidney Remedy. Hexamethylenetetramine is recognized by medical text books and authorities as a uric acid solvent and antiseptic for the urine. Take Foley's Kidney Remedy as soon as you notice any irregularities, and avoid a serious malady. Slocum Drug Co.

CHINOOK A WELCOME VISITOR

Snow all Gone and Weather Warm.

With a prominent display of the indicator on thermometers pointing to 60 above, is a marked contrast with the weather of last week when the mercury was forced down to 19 degrees below zero on several occasions and a foot of snow as another reminder of winter.

It was the heaviest snow fall with the longest cold spell and coldest weather for years.

The warm chinook winds reached here Thursday and the temperature climbed rapidly.

Friday afternoon Willow creek was very high. The creek channel was filled with muddy water and floating ice.

Back of Meadows' livery stable an ice jam formed and for awhile the school house foot bridge was in danger, however, the jam gave way and there was very little damage.

Coming from the south the warm air currents moved slowly, and consequently the snow went off gradually.

During last week and for several after the chinook appeared many people were engaged in putting up ice.

From a private pond made for the purpose, Cowins and Son put up an immense quantity of ice.

Vic Groshens filled his ice house and Harry Cummings has stored a large quantity.

It was an easy matter to get ice after the high water subsided. The ice was broken into big slabs by the force of the water and large quantities were delivered along the creek banks in town.

Everybody was tired of the cold weather and the change is welcome.

Most people past middle-age suffer from kidney and bladder disorders which Foley's Kidney Remedy would cure. Stop the drain on the vitality and restore needed strength and vigor. Commence taking Foley's Kidney Remedy today. Slocum Drug Co.

Alien Sheep to be Taxed?

Following a hearing given a number of woolgrowers of Malheur county, the commissioners have decided to test the validity of the statute enacted by the Oregon legislature two years ago providing for a tax of 20 cents per head upon sheep owned by non-residents and brought into free ranges in this state. At this time it is estimated that there are upwards of 25,000 sheep from Idaho and Montana on the government ranges in Malheur county, and District Attorney McCulloch has been instructed to collect in the tax. Money paid on this account would go to the county school fund.

It is believed that the alien sheep owners now in the county will fight the tax, as there is considerable doubt as to the constitutionality of the statute, and there is likely to be some excitement on the ranges when the county officers seize the sheep—which will be done if the tax is not paid promptly.

The measure was passed by the legislature at the instance of the woolgrowers who, as residents of the state, pay taxes and contribute to the commercial prosperity of the county, whereas the Idaho and Montana sheepmen who winter on the Malheur ranges, take their sheep away before the shearing season, so that their wool is marketed elsewhere.

The ranges are free, and some of the stockmen are advocating the adoption by the government of the leasing system, which, it is claimed, would result in the conservation of the water and fodder and greatly increase the grazing capacity of the country.

Salem Statesman: Representative I. N. Muncy, from Curry county, is the man who originated the expression: "Keep your eye on Pasco."

Raw Lungs

When the lungs are sore and inflamed, the germs of pneumonia and consumption find lodgement and multiply. Foley's Honey and Tar kills the cough germs, cures the most obstinate cough, heals the lungs, and prevents serious results. The genuine is in the yellow package. Slocum Drug Co.
