A Few Facts About Clothing

Of course we're partial to our own clothes. When we bought our stocks, we saw most all the styles and all the cloths that all of the important makers showed. We couldn't give you a better proof of our own belief in the garments that are here than our possession of them. Not that there aren't lots of first class manufacturers, but even in a group of excellent factories one product is bound to stand a little ahead, and as far as we can calculate

Sincerity Clothes

are better made and smarter styled and more durable than any of a dozen sorts we might have had at the same prices. Like to have your judgment.
