## DYNAMITE PLACED UNDER WAGON

### Dastardly Attempt to Blow up Road Crew.

A dastardly attempt was made to blow up a road working crew out at the Holland grade on Willow creek, about 13 miles south-east of Heppner last Thursday.

The crew consisted of Horace Yoakum, James Brown, Wm. Lillard and Frank Rasmus.

They drove out to where they were working in a heavy express wagon, carrying tools and dynamite to be used in blasting.

The dynamite was taken out of the wagon and cached away in the brush by the roadside and the men started out for the day's work.

In the afternoon the work took the men out of sight of the wagon about 100 yards away. After the day's work the crew hitched up the team to go home. While Brown was hitching up a tug he noticed something under a front wheel of the wagon. He picked up a stick of dynamite which had been carefully concealed under the front wheel. Upon investigation two more sticks of dynamite which had been placed under two other wheels of the vehicle were found.

Who put the dynamite there no one knows and the motive for such an act is a mystery.

## NO DIPHTHERIA IN HEPPNER

### Refutation of an Erroneous Report.

The report has received circulation to the effect that Heppner is under quarantine, and has gained for this town a great deal of unmerited advertising in a way that is anything but enviable. Heppner never has had but five cases of diphtheria and two of them were brought into town from the country. At present there is but one case of the malady and the person under quarantine will be released tomorrow. Following is a statement relative to the situation by Dr. F. B. Kistner:

"On account of the idea prevalent throughout the county, that Heppner is suffering from an epidemic of contagious diseases, I wish to notify the public through the medium of the press that there is at present but one case of diphtheria in this city, and that this case was brought to town from the country suffering from the disease. If we do not get any more cases from out of town there will be no house under quarantine within three days from this date, June 16, 1909."

FRANK B. KISTNER,  
County Health Officer.

### Sheriff's Sale.

By virtue of an execution and order of sale duly issued by the Clerk of the Circuit Court of the County of Morrow, State of Oregon, dated the 31st day of May, 1909, in a certain action in the Circuit Court for said County and State, Frank Gilliam, administrator of the estate of Albert Wright, deceased, plaintiff, recovered judgment against Ina A. Leach, Leslie Leach, Menira L. Leach, Bernard Leach, Robert Leach, Howard Leach, Ruth Leach Grimes, and J. V. Grimes, her husband, Della Riggs, and E. H. Riggs, her husband, W. R. Cochran, defendants, for the sum of two hundred (\$200) dollars, with interest thereon at the rate of eight per cent. per annum from the 7th day of June, 1904, and costs and disbursements taxed at thirty-seven \$37.00 dollars, on the 13th day of May, 1909.

Notice is hereby given that I will on Saturday, the 10th day of July, 1909, at 2 o'clock p. m., of said day, at the front door of the Court House in Heppner, Morrow County, Oregon, sell at public auction, to the highest bidder for cash in hand, the following described property, to wit: Forty-seven feet of the South side of lot eight (8) of block sixteen (16), of the town of Lexington, Morrow county, Oregon.

Taken and levied upon as the property of the said Ina A. Leach et al or so much thereof as may be necessary to satisfy the said judgment in favor of Frank Gilliam administrator of the estate of Albert Wright, deceased, and against said Ina A. Leach et al, together with all costs and disbursements that have or may accrue. June 3-7 July 1 E. M. SHUTT, Sheriff.

## THE FOURTH IN HEPPNER

### Very Interesting Program Has Been Arranged.

The several committees in charge of the arrangements for Heppner's big celebration on July 23, are very busy and a program that will entertain all for the two days has been arranged.

The Fourth is America's greatest day, and naturally the people expect something outside of the ordinary.

For the first day the exercises will begin with a mammoth parade to start at 9 o'clock.

In the way of music the committee in charge is fortunate indeed in being able to secure the O. A. C. band from Corvallis.

This band which has a well earned reputation has just finished engagements at the A. Y. P. Exposition as well as the Portland Rose show. Prof. Harry Beard, director, who is recognized as one of the leading cornet soloists of the Pacific coast will bring this musical aggregation, and people can look for the best of concert and street music.

Hon. R. B. Butler, of Condon, one of the foremost public speakers of the West has been engaged to deliver the oration.

For the lovers of baseball, there will be games well worth going to see. The Heppner team which has been greatly strengthened is doing good practice work. There will be two games each day with a grand finish between the winning teams on Sunday.

For baseball a fat purse will be hung up. Condon, Hermiston, Ione, Eight Mile and the home team will compete for the prizes.

Following is the program in detail:

Sunrise salute.  
Parade headed by Oregon Agricultural College band in uniform, 9:00 a. m., liberty car, floats carrying horsemen and autos, plug uglies, forming at Commercial Club, thence north on Gale street to church street; thence north to Alkali, thence east to Gale, thence south to Church, thence east to Main street, thence south to power house, thence east to Chase street, thence to the pavilion.

Music by Oregon Agricultural band.

A feature of the celebration will be the magnificent display of fireworks, ordered and coming direct from the East at a cost of over \$200.

T. J. Mahoney is president of the day and O. P. Hendricson is marshal.

### Rainfall and Crops.

Observations taken at this point for the weather bureau show that the total rainfall for the rainy season thus far has been 8.89 inches. This is slightly more than the total for the preceding season but is considerable less than the normal precipitation. The state conservation commission's report places the average annual precipitation for Pendleton at 14.50 inches.

On the face of things the lack of a normal rainfall looks discouraging. But it must be borne in mind that for wheat raising, which constitutes the chief industry of this country, a heavy rainfall is not essential. Experts have long declared that eight inches of rain is sufficient to produce good wheat crops provided the moisture can be reasonably well conserved. That this is true is indicated by the yield of last year and by the yields in counties westward from Umatilla where the average annual precipitation is but little more than eight inches.

For one of the counties west of Umatilla the average annual rainfall is but 8.2 inches. But good grain crops are raised in that county.

But even if Jupiter Pluvius has neglected Eastern Oregon this year the result will not be greatly felt. Even should there be less than a normal crop the exceptionally high price will more than offset the loss.—East Oregonian.

## Notes From Interior Exchanges.

### Monument Enterprise.

The new house of Wm. Beymer's across the river from town, burned to the ground Sunday between six and seven o'clock in the evening, entailing a loss of nearly \$500. This is the third house Mr. Beymer has lost by fire in the last three years.

Wilbur Cecil, of near Hardman, came down from several miles above the upper junction, Tuesday where he has been engaged in helping survey a ditch from a dam site located by Albert Ayers and Mr. Gates of Hillsboro, who contemplate erecting an electric power plant at that place.

Edward Adkins who lives five miles west of Heppner, came over Saturday after his wife, who has been visiting friends and relatives in Monument for the past two weeks. Mr. Adkins has in over 600 acres of wheat and says he will have a pretty good crop and most all grain in that neighborhood is looking well. They returned home Monday.

Emmet Cochran, a prominent sheep man from down the river, who is now in Heppner, phoned in Saturday that he had sold his wool for 20¢. Mr. Cochran offered to sell at 20 cents some time ago but for some reason could not get a buyer. This is the last lot of wool from Northern Grant to be sold.

Through a misunderstanding of a telephone message, there has been a report circulated in this community that Heppner town was under quarantine, and that Supervisor Chidsey's children were all down with diphtheria. This has been proven to be a mistake, and there is no ground for such a report.

Emil Scharff has sold the Coboe ranch on Cottonwood to C. Owens, of Hardman, consideration \$3,000. Mr. Owens sold his place at Hardman to Anson Wright for \$2,500.

Fred Sersey and wife and Mrs. Bleakman, of Hardman, passed

through town yesterday morning, enroute to the McDuffey hot springs. Joe Orndorf accompanied them from here.

Long Creek Ranger.

G. L. Bowman and Henry Lofton arrived Sunday from Heppner with freight for the Fox store.

The Gentry brothers returned last Saturday from Heppner where they disposed of their sheep and wool.

Chas Mulligan of Fox, started to Heppner, Monday after freight for local merchants, taking out a load of wool.

Monahan and Murtha, of Condon, passed through here Saturday with 4300 head of sheep which they were taking to the summer range on land which they have leased near Austin.

Emil Scharff of Monument spent several days in town this week and bought a few work horses which he will take to Heppner and sell.

Spray Courier.

While on his way to Heppner with a load of wool, Frank Cason was taken down with an attack of appendicitis. He was taken to the hospital in Heppner and operated upon. The operation was entirely successful and Frank is recovering rapidly and will soon be out again.

Several bands of sheep passed through town this week enroute to the mountains for summer range.

Mr. and Mrs. Wilcox, Sr., left here Saturday to visit old friends at Balston and other valley points. Their son Jake accompanied them as far as Heppner.

C. R. Kluger, the jeweler, 1060 Virginia Ave., Indianapolis, Ind., writes:

"I was so weak from kidney trouble that I could hardly walk a hundred feet. Four bottles of Foley's Kidney Remedy cleared my complexion, cured my backache and the irregularities disappeared, and I can now attend to business every day, and recommend Foley's Kidney Remedy to all sufferers, as it cured me after the doctors and other remedies had failed." WHICH FOR YOU

Most folks get disgusted with the kind of hosiery that won't stand wear—the kind that soon shows holes and needs darning. Then let us make a suggestion—wear Armor Plate Hosiery.

Armor Plate Hosiery is the kind that gives long, satisfactory wear. Unlike most black hosiery, it is not weakened in the dyeing process. "Armor Plate" is made for Men, Women and Children. It costs no more than the kind you've been wearing and will give you twice the service.

Can't you see how you can materially reduce your hosiery bill by insisting on "Armor Plate" every time. Let us prove to you that there is a hosiery that will give satisfactory wear.
