

HEPPNER'S BIG CELEBRATION

Games, Sports and Entertainment for all.

Arrangements for Heppner's big Fourth of July celebration are progressing with much satisfaction to the different committees in charge.

Sports, games, fun and amusement for all for two days on July 2d and 3d.

The display of fireworks alone will be worth coming to see. The illuminations and pyrotechnic scenes will be a rare sight for a town the size of Heppner. While the fireworks are very expensive, the committee feels that the people are entitled to something good and a special feature will be made of this display.

Another expensive part of the entertainment will be the music. To bring a first class band for a distance of 300 miles will be no small expense, but Heppner must have the best and this is the reason that the OAC Military Band was employed. In both street and concert work this aggregation will certainly please all. The fact that this band was employed at the A-Y-P exposition at Seattle and also at the Portland Rose festival is a pretty good recommendation.

The parade will be a big one. Judge R. R. Butler, who will deliver the address is a gifted orator. The platform exercises on the forenoon of the first day will be interesting.

There will be something to see every minute of the time during the two days.

For the horse races there will be some good horses entered. There is now talk of a match race between two of Eastern Oregon's crack racers.

For the broncho riding, some of the worst buckers of the country will be here and they will be mounted by the best riders in the country.

In the way of baseball there will be a series of games for a good fat purse, and the best teams in Morrow and Gilliam counties will compete for the prizes.

Everybody in Heppner will use every means possible to show the visitors a good time.

Come to Heppner and enjoy yourselves on the Fourth. You are invited and you cannot help but have a good time.

Oregon is growing so fast that the landmarks are falling one by one as they stand in the way of progress. The latest illustration is the felling of a historic old oak tree at St. Helens during the last week that sheltered the Lewis and Clark expedition on its famous voyage of exploration over 100 years ago. The location of a big new sawmill on the river bank made it necessary to remove the old tree. The trunk was 51 inches in diameter and a count of the rings indicated the age of the tree was 149 years.

Hoarse coughs and stuffy colds that may develop into pneumonia over night are quickly cured by Foley's Honey and Tar, and it soothes inflamed membranes, heals the lungs, and expels the cold from the system. Sold by Slocum Drug Co.

Death of a Pioneer.

Thomas McCollough, one of Morrow county's earliest pioneers died at the Heppner Sanitarium, last Thursday evening, June 17, aged 85 years.

Deceased was born in Ireland, of Scotch parentage. He came to America 40 years ago and settled near the forks of Willow creek, where he engaged in the stock business until the time of his retirement about eight years ago.

He was never married, however, he leaves a number of relatives in this county.

Funeral services were conducted by Rev. J. V. Crawford at the Christian church, Saturday afternoon, where a large number of people, including many old time friends and acquaintances were in attendance to pay their last respects.

Immediately following the services at the church, the remains were interred in the Heppner cemetery.

Andy J. Cook who formerly conducted Cook's restaurant in the Groshen's building, has purchased the Elkhorn restaurant on Main street and is now in charge. Mr. Cook informs the Gazette that he will employ a first class cook and intends to conduct the restaurant in a manner that will appeal to the public in the way of cleanliness and a sumptuous bill of fare. Andy is an old resident of Heppner and Morrow county and has a wide circle of friends and acquaintances.

Drama Valley Farm.

The melo-drama entitled "Valley Farm" was presented in a very pleasing manner at Roberts' opera house Tuesday evening by home talent.

The play is a pretty story containing enough pathos intermixed with humor to be interesting. Hetty Holcomb, a pretty country girl, is loved by Harold Rutledge who takes her to his richly furnished home in New York, where she is sadly mistreated by a haughty mother-in-law and a woman who seeks to win her husband.

Returning to the farm she is followed by her husband who has realized her wrongs and they are happily united.

The surrounding incidents in making up the story furnish both humor and emotion and the delineation by the different characters was very good.

Jess Hale as Harold Rutledge, took the heavy part in a very creditable manner.

Hetty Holcomb, the leading lady, taken by Miss Hazel Gilliam, presented some very clever emotional work in delineating the part of the wronged wife.

Maurice Frye, who took the part of Silas Holcomb, the down East farmer, certainly played the part in a manner that was real, furnishing much merriment and laughter for the large audience.

In fact, Cecil Hale as Perry Dean, John Bush as David Hildreth, Arthur Crawford as Azariah Keep, Mr. Campbell as Jennings, Lulu Campbell as Isabel Carney, Josephine Richardson as Almira Holcomb, Mrs. Wilbur Swaggart as Mrs. Rutledge, Blanche Carter as Liza Ann Tucker, and Venice Jones as Verbena, all took their parts in a very creditable manner and gave splendid support in presenting the drama.

The special song by Lutie Reed and the buck and wing dance by Jess Hale were enjoyable features of the evening's entertainment.

Pneumonia Follows La Grippe.

City Council.

The city council met in regular session at the council chamber, Monday evening.

The city fathers were all present with the exception of Mayor Farnsworth. In the absence of the mayor, Councilman Noble acted as chairman of the board.

The only business that appeared before the council was the introduction of ordinances numbered 16 and 17. One of the measures was drawn for the purpose of imposing a city tax upon pastimes and places of amusement where such soft drinks as "near beer" and other stomach washes are dispensed. The ordinance met the sad fate of being laid on the table indefinitely.

The other ordinance was to provide a city tax on business enterprises considered of a temporary nature. This ordinance met the same fate of the first one presented.

Heppner Won Game.

The baseball game last Sunday between Heppner and Eight Mile resulted in an easy victory for the home team with a score of 13 to 1.

Gay, the Eight Mile tosser, pitched very good ball but was not given the necessary support to make a close game.

The new grandstand at the depot grounds, which will seat about 500 people, is completed with the exception of putting on the roof.

Union Patriotic and Religious Services.

The Fourth of July falling on Sunday it has been arranged between the Fourth of July committee and the pastors of the churches of Heppner to have joint religious services on Sunday morning and evening in the open air on the large platform to be erected for the exercises of the occasion.

The service Sunday morning will be held at the regular preaching hour, 11 o'clock a. m., at which time the Rev. J. Perry Conder, pastor of the Christian church will preach the sermon. Other parts of the service will be conducted by the other pastors.

The evening service will begin at 8 o'clock p. m. and the sermon will be delivered by the Rev. H. S. Shangle, of Milton, Presiding Elder of the Walla Walla district, M. E. church, South, it being the date of the 2nd quarterly conference of the Heppner charge. The local pastors will also assist at this service.

At each of these services there will be splendid singing by the united choirs of the churches accompanied by the united bands and orchestras in use at the celebration.

An urgent invitation from the churches and pastors participating, as well as from the general committee, is made to the general public to attend each of these services.

The people of Heppner and Morrow county should be religious as well as patriotic. Is it true patriotism unless it be religious?

Let these services be the last grand, appropriate, culminating feature of the greatest celebration Morrow county has had for many years.

C. R. Kluger, the jeweler, 1060 Virginia Ave., Indianapolis, Ind., writes: "I was so weak from kidney trouble that I could hardly walk a hundred feet. Four bottles of Foley's Kidney Remedy cleared my complexion, cured my backache and the irregularities disappeared, and I can now attend to business every day, and recommend Foley's Kidney Remedy to all sufferers, as it cured me after the doctors and other remedies had failed." Big Exposition Attendance

An average of twenty-five thousand visitors a day have come through the turnstiles of the Alaska-Yukon-Pacific Exposition since the opening day on June first.

From all parts of the West people have been flocking to the Exposition and from present indications the stream of delightful visitors is becoming larger rather than falling off. Up to Thursday, June 17, the total attendance had reached the 400,000 mark, a number equivalent to one third of the population of the state.

The side trips around Puget Sound and Lake Washington have attracted large numbers. Every day steamers, brightly decorated and laden with pleasure-seekers, are leaving the Exposition grounds on the innumerable excursions that are offered to different parts of the lake. The Victoria trip and the excursions to the beautiful Hood's canal on Puget Sound have also attracted many.

The importance of the hog as a mortgage lifter has never been more evident than now. The hog market at Portland has advanced recently from \$7.75 to \$8.15 per 100 pounds for suitable fat hogs and packers say the supply is practically nil. The hog raising industry is one of the most lucrative to which farmers of the Northwest can turn their attention. Oregon and Washington need more hogs and offer good prices to growers. Figures here are higher than in the Chicago market and there is every inducement for more extensive hog raising.
