\$1000 Free

We hereby offer \$1000 to anyone proving by chemical analysis or otherwise that **CYRUS NOBLE** contains anything excepting pure straight aged whiskies. It is distilled in an old-fashioned still and contains all those secondary products of distillation which the U. S. Agricultural Department and the U. S. Internal Revenue Department rule must be present to entitle the distillation to be called whiskey.
Alcohol does not contain these constituents.
Neither does cheap so called straight whiskey made in a continuous or many chambered still.
Money talks.
