Children Cry FOR FLETCHER'S CASTORIA
A recognized authority—The Weekly Oregonian.

Cashier W. S. Wharton, of the Bank of Heppner, returned Monday evening from Seattle, where he attended the Bankers' Association convention last week.

The Fourth is nearly here and Heppner is preparing to give the celebration that will awaken patriotic feeling in the hearts of the most unpatriotic, while those who are filled with loyal ideas will find everything to their liking over there. Ione has received a hearty invitation to go and be one of them and it is no doubt certain that many will accept the invitation.—Ione Proclaimer.

"Oregon is the place for you," has been the slogan brought to the attention of 5,000,000 people of the country through a big advertisement in the Saturday Evening Post, placed by the Portland Commercial Club, and the same message has been sent to 1,000,000 more through other publications. Reasons why Oregon is the state of opportunity have been presented. The 92 commercial bodies of the state having membership in the Oregon Development League have been given an opportunity without cost to them to answer immediately thousands of new inquiries about Oregon. Never before has Oregon been so well known and interest in the state so generally aroused. All that is needed to get the best results is for the commercial bodies to take advantage of the opportunity and make these home-seekers familiar with their sections by sending them literature and answering inquiries.
