

The Week's News

Local and Personal Happenings in and About the City.

This is ideal growing weather.

Glasses properly fitted at P. O. Borg's.

W. J. Blake came up from Ione, Monday.

Fred Westerberg, of The Dalles is in the city.

Poor luck is the report from the trout fishermen.

Highest cash price paid for hides and furs. Phil Cohn.

Dan Rice was in from Hardman, the first of the week.

A Dalles horse is 44 years old and is a family pet.

Fishing tackle and fishing bait at Gilliam & Bisbee.

John Smith returned from Portland, Saturday evening.

Percy Garrigues went to Portland, yesterday morning.

Ray Fairchild, the Portland meat dealer is in the city.

Mike Marshall came up from the north country Tuesday.

Ressie Dykstra has resigned his position as census enumerator.

Dillard French was in from Gurdane, the first of the week.

H. V. Gates, of Hillsboro, was registered at the Palace, Tuesday.

Allen Thomson, of Echo, was registered at the Palace, Tuesday.

R. F. Bicknell, the stockbuyer, came in Monday from Huntington.

R. F. Wigelsworth this week purchased the Wm. Ayers ranch on Butter creek.

Gilliam & Bisbee would like to sell you one of those alfalfa renovators on trial.

You will get the best if you get that Harmless sheep marking ink at Gilliam & Bisbee.

Wm. Hughes and wife of Portland, are the guests of Mr. and Mrs. Percy Hughes.

Your fruit trees will need spraying soon. For your spray and pumps go to Gilliam & Bisbee.

Gilliam & Bisbee have not bait for suckers, but have plenty for trout, and other fishing tackle.

M. S. Corrigan came in Monday, from Butter creek. He states that he has finished shearing sheep.

A number of Heppner people drove to Ione by auto and team last Sunday to see the ball game.

Percy Hughes left this morning for British Columbia. He goes to look for a location to engage in the stock business.

A W. Goodman returned Saturday evening from Boise, Idaho, where he had been at the bedside of a sick brother.

L. E. McBee came up from Cecil yesterday evening. He says that he looks for a bumper crop of alfalfa this season.

Carl Rhea went to Ione the first of the week to work in the Bank of Ione during the absence of Cashier J. D. Cronan.

The good prices for wool and and stock and the excellent crop prospects makes a cheerful outlook in Morrow county.

The Heppner High School boys played a return game of baseball with the Ione boys on the Ione grounds last Sunday, and the Ione Heppner lads got walloped to the music of 19 to 7 was a caution.

The crop and grass prospects for the time of year are better than ever known in this country. Generally the wheat is looking better than it did in the spring of 1907, the year of the bumper crop.

Read About the Mt. Vernon Hot Springs

They are located in the beautiful John Day Valley, 2½ miles north of Mt. Vernon, and 12½ miles west of Canyon City in Grant County, Oregon. The elevation is 2700 feet and the climate is mild throughout the year. The springs which furnish water for the bath and swimming pool flow 25,000 gallons per day of a highly mineralized hot water of a temperature in the different springs of 100 to 122 degrees F. These springs are without rival or competition for the reason that you can get the water just the proper temperature for bathing without artificial heating or diluting with cold water and thereby destroying the medicinal properties. These springs have but recently come to public notice. They have just been fitted up for the comfort and benefit of the invalid and those seeking recreation.

Nature was the chemist who compounded the water which cures, and in her laboratory deep in the mysteries of the earth she prepared these curative waters; and those suffering from rheumatism, gout, skin disease, kidney or bladder trouble or any catarrhal condition of the stomach find almost instant relief and in most cases permanent cures in from four to eight weeks.

Our charges are reasonable. Come when you will, winter or summer; we are always open and ready to welcome you.

THE WELD THAT HELD

Science has developed something infinitely better than the old style wrap or clamp.

"Pittsburgh Perfect" FENCES

Are Welded by Electricity

This is the modern method of construction. Years of life are added through the elimination of serious fence defects.

A wrap holds moisture, cracks the galvanizing and allows the water to attack the bare wire. A small amount of displaced galvanizing on "PITTSBURGH PERFECT" reinforces the protection against rust at the electrically welded joint; examine the joint. Stays cannot slip. They are always just where they were put. Stay and strand wires become one piece when the union is made. The fence is like a solid sheet of perforated steel.

Every Rod Is Guaranteed Perfect

Don't allow your prejudices in favor of the rapidly declining and now antiquated methods you have heretofore known, to warp your good judgment. Fences represent progress, because hundreds of thousands of dollars worth of standard material is daily welded by electricity.

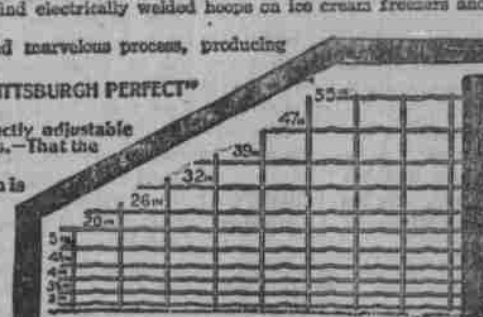

The hoop on the average sugar barrel in the isolated country grocery store is an electrically welded hoop on ice cream freezers and washing machines, on many tools and buckets. Examine them.

"PITTSBURGH PERFECT" fences are made by this modern, simple and marvelous process, producing "THE WELD THAT HELD."

Mr. Farmer LISTEN NOW! Every agent handling "PITTSBURGH PERFECT" fences is authorized to guarantee this: That the wires are not injured at the joints—That the fence is perfectly adjustable to uneven ground—That the stays will not separate from the strands—That the fence is all right in every particular.

Could you ask any more definite protection? Your complete satisfaction is absolutely assured.
