Heppner's Crack Ball Team.

Heppner has a ball team this season, the first time for several years, and much credit is due the management. Vaughn and Smead said they would develop a good team and they have made good.

At Fossil the boys played three games, losing the first game with a score of 5 to 6. Heppner took the next two games of the series, the score being 7 to 5 in both games.

When we take into consideration the fact that Fossil had the very best men to be found in Gilliam and Wheeler counties, and a Portland catcher, it shows up well for our boys.

Our team has twice defeated Condon this season, once at Heppner and last Sunday at Condon.

The final game for the season will be played on the Heppner grounds next Sunday when Condon will again try to wrest a victory from the Heppner team.

On this occasion Condon will run a special train and a big crowd will come from there and way points.

Condon will in all probability materially strengthen their team, while the Heppner line up will be about as usual.

We have no hesitation in saying to the people of Heppner and vicinity that if you want to see a good game of baseball, be on hand next Sunday.
