Bean Out for Supreme Judge.

Circuit Judge Henry J. Bean is now in the race for the republican nomination for supreme judge and he will seek the four year term in opposition to Wallace McCamant, the Portland corporation attorney who was named by the assembly.

The announcement of his candidacy was made by Judge Bean this morning and was evidently made after a careful examination of the situation. For some months it has been rumored that Judge Bean aspired to the supreme bench and there were many who urged him to go before the assembly. However, his name was not presented at the Portland meeting. At the assembly Wallace McCamant and Judge McBride were endorsed for the four year terms but in the race for the nomination Judge Bean will stand as the especial opponent of McCamant to whose selection much objection has been raised.

The petitions for Judge Bean's nomination will be placed in circulation at once and the following announcement of his candidacy will be filed with the secretary of state. To the Honorable F. W. Benson, Secretary of State for Oregon and to the Members of the Republican Party and to the Electors of the State of Oregon:

I, Henry J. Bean, reside at Pendleton, Umatilla county, Oregon, and my postoffice address is Pendleton, Oregon. I am a duly registered member of the republican party. If I am nominated for the office of justice of the supreme court of the state of Oregon for the term of four years, at the primary nominating election to be held in the state of Oregon on the 24th day of September, 1910, I will accept the nomination and will not withdraw, and if I am elected I will qualify as such officer.

If I am nominated and elected I will during my term of office "administer the law fairly and impartially to the poor and the rich."

For 29 years Judge Bean has been a resident of Pendleton and during that time has devoted his time to practicing law and to serving as a public official. He was first elected as a representative in the legislature in 1888 at the time Umatilla county was in the democratic column. In 1896 he was elected as district attorney for this judicial district and he was reelected to that position in 1898, the district attorney at that time serving for two years time. In 1904 the judge was chosen county judge and after serving two years in that capacity was nominated by the republicans for circuit judge and was elected. His term as circuit judge will not expire for two years yet but in the event of his election as supreme judge he will resign from the circuit bench.

Judge Bean is a native of the state of Maine and came to Pendleton June 30, 1881. He has been a continuous resident ever since that time and has always been active in working for the advancement of this community and of eastern Oregon.

Judge Bean has been a life long republican.—East Oregonian.
