Local Option a Farce in Canada.

Though the temperance party of Manitoba has published maps which show that in at least half the province it is illegal to sell liquor, local option is considered a failure so far as lessening the sale of liquor is concerned.

The act is very stringent, but the fact that it is not enforced is at once apparent to even a casual visitor in one of the prohibition areas or towns. The "dry" districts literally reek with whisky, good and bad, mostly the latter. The various temperance hotels always have a good supply of different liquors on hand. It is openly asserted that as much liquor is sold in a prohibition town as in a "wide open" town of the same size.

When a municipality has gone "dry" it has been noticed that the young men who occasionally used to take a drink of beer when there was a hotel often become inveterate whiskey drinkers. They cannot get beer, as the "blind pigs" sell nothing but spirits on account of its smaller bulk. Surely but quickly the people of Manitoba are beginning to realize that "prohibition does not prohibit."

Population of the United States has increased 22 or 23 per cent in ten years. In that period consumption of beer has grown more than 50 per cent and of distilled spirits 45 per cent. Also in that period so-called prohibition has spread from Maine and Kansas, until 41,000,000 people are living in prohibition territory, according to recent estimate of the general superintendent of the Anti-Saloon League. Do not these figures show impressively the failure of prohibition to prohibit?—Oregonian.

The people in this district are going to re-elect W R Ellis to congress because they know him and have the utmost confidence in the man.

Here in Morrow county it seems to be nothing but Jay Bowerman for governor.

C. A. BARRETT, Athena, Oregon.
Direct Primary and anti Assembly Republican candidate for Joint Senator for Morrow, Umatilla and Union counties.

PLATFORM.

Honesty and efficiency in public officials, better system of improving our public highways. People's choice for senator. Maintenance of the direct primary law and statement No. 1.

The primary is the people's convention. Why delegate this power to an assembly where corporate influence is always present. The people should select their own candidates through the direct primary, and I believe the people as competent to nominate as to elect the candidate. I ask the people's support at the primary nominating convention and promise if elected to work for the best interest of all the people to the best of my ability.

Respectfully,
C. A. BARRETT.

Are You Sure Your Kidneys are Well.

Many rheumatic attacks are due to uric acid in the blood. But the duty of the kidneys is to remove all uric acid from the blood. Its presence there shows the kidneys are inactive.

Don't dally with "uric acid solvents." You might go on till doomsday with them, but until you cure the kidneys you will never get well. Doan's Kidney Pills not only remove uric acid, but cure the kidneys and then all danger from uric acid is ended. Here is Heppner testimony to prove it.

Henry Howard, of Heppner, Oregon, says: "For thirty years I suffered from rheumatic pains in my back and hips. Seeing Doan's Kidney Pills advertised, I was induced to try them and I wish to express my appreciation of their good work. Doan's Kidney Pills gave me great relief and I only hope that my statement will be the means of leading other kidney sufferers to try them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

They Have a Definite Purpose.

Foley Kidney Pills give quick relief in case of kidney and bladder ailments. Mrs. Rose Glaser, Terre Haute, Ind., tells the result in her case. "After suffering for many years from a serious case of kidney trouble and spending much money for so called cures, I found Foley Kidney Pills the only medicine that gave me a permanent cure. I am again able to be up and attend to my work. I shall never hesitate to recommend them."
