To Help Fruit Interests.

Portland, Or., Sept. 27.—An organization that promises to do much for Oregon, Washington and Idaho fruit is the Northwest Fruit Exchange, W. P. Gwin, Manager, with office in the Spalding, Portland. Working in co-operation with the various associations of growers throughout the three states, the exchange is directing shipments and seeking a wider market. It is planned to carry on a campaign similar to that waged by the California Orange growers and every wholesale house in the fruit trade will be reached through the exchange. An evil that will be combatted is the formation of pools among the large buyers so that prices will not be under the control of these agencies. Another plan is to ship nothing less than carload lots direct to the wholesaler. In this way it is thought the consumer will receive the benefit in the saving of freight rates by avoiding small and expensive shipments. Manager Gwin is determined that world-wide markets for Oregon fruit shall become a reality and predicts that instead of over-production calling for a halt on orchard acreage, it will soon be necessary to double the present commercial orchard area in the Northwest.

Oregon Attracts Attention

That the people of the Middle Western and Eastern states are just beginning to find out something about Oregon and to realize the extent of business opportunities in this state, is the belief of the promotion department of the Portland Commercial Club.

In Nebraska particularly hundreds of people are disposing of their interests in preparation to come to Oregon and making investments, not only in and near Portland, but in all sections of the state.

"Oregon is the watchword down here," writes James Lowe, of Atkinson, Neb., in answer to an advertisement of the Portland Commercial Club. Mr. Lowe states that he knows of many Nebraskans who have the Oregon fever and have decided to come to Oregon as soon as they can.

While some of the prospective Oregonians have money to invest in city property, the greater number, says Mr. Lowe, desire to purchase farming land or to take up homesteads. Irrigated tracts also are appealing to the intending newcomers. It is expected many of the Nebraskans will arrive while the colonist rates are effective.

From Sickness to "Excellent Health."

So says Mrs. Chas. Lyon, Peoria, Ill. "I found in your Foley Kidney Pills a prompt and speedy cure for backache and kidney troubles which bothered me for many months. I am now enjoying excellent health which I owe to Foley Kidney Pills."

RHEUMATIC FOLKS.

Are You Sure Your Kidneys are Well?

Many rheumatic attacks are due to uric acid in the blood. But the duty of the kidneys is to remove all uric acid from the blood. Its presence there shows the kidneys are inactive.

Don't dally with "uric acid solvents." You might go on till doomsday with them, but until you cure the kidneys you will never get well. Doan's Kidney Pills not only remove uric acid, but cure the kidneys and then all danger from uric acid is ended. Here is Heppner testimony to "prove it."

Henry Howard, of Heppner, Oregon, says: "For thirty years I suffered from rheumatic pains in my back and hips. Seeing Doan's Kidney Pills advertised, I was induced to try them and I wish to express my appreciation of their good work. Doan's Kidney Pills gave me great relief and I only hope that my statement will be the means of leading other kidney sufferers to try them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Acute or Chronic—Which?

No matter if your kidney trouble is acute or chronic Foley's Kidney Remedy will reach your case. Mr. Claude Brown, Reynoldsville, Ill., writes us that he suffered many months with kidney complaint which baffled all treatment. At last he tried Foley's Kidney Remedy and a few large bottles effected a complete cure. He says: "It has been of inestimable value to me."
