

COUNTY COURT

Payment of Claims and Consideration of Road Matters Marks Term

Regular session of county court was convened at their chambers in the court house on Wednesday, March 1st, with Judge C. C. Patterson presiding, and commissioners Devin and Young in attendance.

The session was rather a light one, although consuming some time on account of the consideration of road matters, a number of petitions being presented and entered into.

Claims against the county were presented and allowed as follows:

| | |

The petition of Matt Hughes and 11 others to vacate a portion of county road, was denied.

Bonds of the following road supervisors were presented and approved:

District 4, J. L. Kirk; 5, J. H. Ridgeway; 6, R. Hogeland; 7, J. E. Musgrave; 8, J. E. Fraser; 9, W. E. Pointer; 10, M. R. Morgan.

The petition of Oregon-Washington Railroad & Navigation Co. for a change in county road in section 11, township 1 south, range 24 E, W M, on account of dangerous location of crossing, was granted.

The resignation of Sylvanus Wright as deputy sheriff at Hardman presented and accepted.

The petition of John Allen and 25 others for establishment of county road, received. Viewers and surveyor to meet at beginning point of said road on April 23, 1911, to survey and view same.

On Monday the court visited the bridge at the mouth of McKinney creek and found the same to be in rather bad condition. It is the sense of the court that this struc-

ture will have to be replaced by a new bridge before many months.

On returning, an adjournment was taken until Saturday, the 11th inst.

A Special Medicine for Kidney Ailments.

Many elderly people have found in Foley's Kidney Remedy a quick relief and permanent benefit from kidney and bladder ailments and from annoying urinary irregularities due to advancing years. Isaac N. Regan, Farmer, Mo., says: "Foley's Kidney Remedy effected a complete cure in my case and I want others to know of it."

For sale by all druggists.

R. L. Bengt was up from Lexington, Saturday.

W. T. Campbell, a Social Ridge farmer, was in Heppner, Saturday.

Mrs. F. L. Kenton walks with a limp, the result of a fall a few days ago.

J. H. Helms and wife, of the Lexington neighborhood, were Heppner visitors, Monday.

Elder Shangle, of Milton, was in Heppner over Sunday and held quarterly conference at the M. E. church, South.

John Her is quite sick at his home in Clark's canyon. He has been confined to the house for the past two weeks.

Miss Mae Wattenburger, of Ione, has been employed to teach the school in district No. 2. School will open next Monday.

E. H. Andrews was up from Ione on Friday. He has been laid up recently with the general complaint, la grippe, and otherwise knocked out.

Elder J. V. Crawford returned home from Ione, Saturday. He has been at that place for the past two weeks assisting in revival services.

* Snow, rain, sunshine and fog has been the order this week. but this section is getting an abundance of moisture, so no complaints are being heard.

Sam McDaniel was in town a few days this week from his mill beyond Hardman. Much snow and moisture prevail out his way and it has been a good season for logging.

Any intelligent person may earn a good income corresponding for newspapers; experience unnecessary. Send stamp for full particulars. Empire Press Syndicate, Middleport, N. Y.

A Dreadful Sight

to H J Barnum, of Freeville, N Y, was the fever-sore that had plagued his life for years in spite of many remedies he tried. At last he used Bucklen's Arnica Salve and wrote: "it has entirely healed with scarcely a scar left." Heals Burns, Boils, Eczema, Cuts, Bruises, Swellings, Corns and Piles like magic. Only 25c at all druggists.

Farmers' Institute.

Negotiations are under way to arrange for a farmers' institute at Lexington some time this spring. It is expected that two or three members of the faculty at Corvallis will be present. Wheat growing, fruit raising, dairying, and diversified farming will receive attention. This is a worthy undertaking; push it along.

Foley Kidney Pills

Neutralize and remove the poisons that cause backache, rheumatism, nervousness and all kidney and bladder irregularities. They build up and restore the natural action of these vital organs. For sale by all druggists.

"Ye Olde Folkes."

An "Olde Folkes" entertainment will be given at the Opera House on Friday night, March 24th, by home talent. See programme next week.

HEPPNER STREETS WILL BE IMPROVED

Work Soon to Begin on Several of Our Principal Thoroughfares--Clean-up Day Will Be Observed Early Next Month.

The regular monthly meeting of the council was held Monday night at the city hall with a full board present, and the following claims against the city were audited and allowed:

| | |
|--------------------------------|---------|
| Gilliam & Bisbee, merchandise | \$ 6 65 |
| H L & W Co. current..... | 97 95 |
| J A McCraw, salary..... | 75 00 |
| J P Williams, salary..... | 16 65 |
| H A Emerson, salary..... | 8 33 |
| S E Notson, city attorney..... | 25 00 |

After the passing of bills, the consideration of ordinances was taken up, and three new laws went to final reading by sections, and were passed. Ordinance No. 124, providing for the procedure of the council in the passing of ordinances; No. 125, repealing ordinance 42, in conflict with No. 124; and Ordinance No. 126, providing for the construction and repairing of sidewalks, constitute the three laws passed.

The improvement and clean-up bee is busily buzzing about the ears of the city council and there will be something doing in that line before long.

The committee on streets and public property were empowered to proceed with the repair of streets and to incur all expense necessary in making repairs and improvements.

As it is understood at the present, these improvements will consist in re-grading Main street and perhaps one or two side streets. Work also will be done on the

street leading from the power house south as far as the city limits. The roadbed is to be graded down and widened so that there may be room for a double track. This is an improvement much desired by all people coming and going over this road, and if the county will join on and continue the work a mile or so beyond the city limits it will make it much easier on people coming to town that way, and home again.

Just as yet the council does not see fit to begin the work of macadamizing the streets, but they are giving the matter favorable consideration and will take the steps necessary to at once look up the probable cost of a rock crusher and a steam roller, and may before long take the work up in earnest, when they feel that the finances of the town will justify the expense. Sufficient to say the council have the right mind in this matter and propose to do permanent work just as soon as possible.

A general clean-up day will be declared soon and a determined effort for a more cleanly and beautiful city is to be made, the council offering all the encouragement possible at their command.

The city attorney was instructed to take up the matter of renewing the lease with Morrow county for the use of the jail for confinement of city prisoners, their five-year lease for that purpose having expired.

It's Baseball Now.

The beautiful spring weather of the past week has given the High school fans a touch of baseball fever, with the result that a bunch of the loyal sons met on Tuesday afternoon and organized for the season of 1911.

Walter Yeager was re-elected captain, and Vernon Jones elected manager. Nearly all of last year's team reported and a number of fast men from Eightmile are included in this year's lineup. Prospects for a winning team are bright and enthusiasm runs high.

Those who have reported are: Vernon Jones, Vane Jones, Bob Young, Harvey Young, Harold Cohn, Frank Smith, Ellis Hendrierson, Bernard Cox, Ray Rogers, Cecil Hale, Arthur Crawford and Walter Yeager.

This is a strong school aggregation and Heppner fans may look for some good games as soon as a schedule can be arranged.

Not A Word Of Scandal

marred the call of a neighbor on Mrs. W P Spang, of Manville, Wyo., who said: "she told me Dr. King's New Life Pills had cured her of obstinate kidney trouble, and made her feel like a new woman. Easy, but sure remedy for stomach, liver and kidney troubles. Only 25c at all druggists.

Millinery Opening.

Mrs. F Luper will have her first display of spring millinery, March 18th. Ladies, your inspection especially solicited.

A Cold, LaGrippe, then Pneumonia

is too often the fatal sequence. Foley's Honey and Tar expels the cold checks the grippe, and prevents pneumonia. It is a prompt and reliable cough medicine that contains no narcotics. It is safe for your children as yourself. For sale by all druggists.

Eight Mile Squibs.

C. D. Huston and family visited at the home of Mose Ashbaugh, Sunday. John Burton had the misfortune to lose three good young horses last week from founder.

Deputy State Veterinary Morgan, of Heppner, was called to Eightmile last week to treat the Burton horses for founder.

The snow has about all disappeared. The thaw was accompanied by a warm rain and the moisture has all gone into the ground, there being but little frost left.

Alfred Anderson and wife entertained a number of friends and relatives at their home on the evening of March 1. The evening was spent in the playing of games. At midnight refreshments were served. All report a good time.

The Shadowgraph social Eightmile Center March 8, was very good considering the bad weather. There were about fifty in attendance the greater portion of whom were young men. There were but few women present and only 10 baskets to sell. The net receipts were \$16 25. A good program was rendered and all present expressed their delight. We were very sorry indeed, that the weather prevented the young people of Heppner from attending.

E. M. C.

At the Churches.

M. E. Church, South.

The usual services for next Sunday. All members requested to be present at the morning service. Subject of the evening discourse will be, "Some Thrilling Incidents in the Life of Elijah." Everybody invited. E. P. Warren, Pastor.

Christian Church.

In the morning at 11, the pastor will deliver a sermon-lecture on "The Present Golden Opportunity in Far Eastern Mission Lands." The annual offering for foreign missions will be received. In the evening, the well known lecturer, Mrs. Jean Morris Ellis will speak. Mrs. Ellis has been in Heppner before. Many will be glad to hear and consult with her again. She is giving lectures at the church each evening. Remember all the regular services. Maynard R. Thompson, Pastor.

The young people of the South Methodist church are to have an entertainment, with some social feature, Friday evening. Light refreshments will be served.

HOYT CHEMICAL CO., PORTLAND, OREGON

BLOCK SYSTEM IS EFFECTIVE

Harriman Lines Carry 49,491,000 Persons in Safety

Installation of safety devices and the block signal system are cited for the record of the Harriman railroads in carrying 49,491,000 passengers in 1910 with out sacrificing a single life.

The report was compiled in the office of Julius Kruttschnitt, director of maintenance and operation, Chicago. It covers the business of the Union Pacific, Southern Pacific and affiliated roads, a total of 17,960 miles. The total number of passengers carried on a mile basis is 3,000,000,000.

The Harriman system carried 10 per cent of the estimated 1910 passenger traffic. The figures for most of the other rail roads have not yet been compiled by the government, but in 1909 the number of passengers carried was 29,000,000,000. The figures for 1910, it is said, will not exceed a billion more.

Many other railroads have gone through a year without a fatality to any of its passengers, but it is said that no system has made this record for such a large total of passengers.

Results on the Harriman lines are ascribed to a campaign waged by the management for years to reduce accidents. The Harriman system now has more miles of automatic block signal protection than any other system in the world. Mr. Kruttschnitt has directed special attention to the accident problem, and been several years ago to bring about a reduction by giving complete publicity to all forms of accidents and their investigation, which, it is believed, spurred officers and employes to greater efforts to safeguard lives.

In 1903-1904 the number of accidents on the Union Pacific was 20 for 1,000,000 locomotive miles. On the Pacific system of the Southern Pacific the number of accidents per 1,000,000 locomotive miles was reduced from 29.5 to 10.5 in the same time.

George Thomson is confined to his room this week with an attack of la grippe.

School Notes.

By S. E. NOTSON, Co. Supt.

The blanks for the library orders have been sent out. It is to be hoped that the orders will be made up promptly in accordance with the directions and returned.

Much misunderstanding seems to prevail in regard to the new law governing teachers' certificates. The next examination will be held in June instead of August. County certificates are abolished. Any person over eighteen years old may take the examination, regardless of the amount of training or experience. Applicants for the one year certificate must make an average of 75 per cent and not fall below 60 per cent in any branch, and the subjects are the same as for the second grade county certificate except that physical geography is included and physiology is dropped. For the five year paper, an average of 85 per cent with nothing below 70 percent is required. In addition to the subjects required for a one year paper, the applicant must pass upon physiology, American literature, algebra, psychology, and composition. Twelve months teaching experience is required for this paper. For a life paper the requirements are the same as under the old law, except that geology and history of education are added subjects. A five year primary certificate is also provided for. Those who have already written under the state examination under the old law may complete it under the new law at the June examination.

If the teacher who will have pupils ready for the eight grade examination in May will send in notice to that effect, a blank form of certificate will be sent them to fill out, in accordance with the new rules.

The reports in regard to the debating work in many of the schools are very gratifying. The work is proving valuable in nearly every school in which it has been tried. A little time spent in this work will bring excellent results, and the other work of the school will be made better if live questions be discussed.

Joseph T. Knappenberg and wife were week-end visitors in Heppner, returning to Ione Monday.
