A drunken hobo tried to put Bob Large out of the game Monday evening, down at the Star hotel, and on following him down the street, tried to "biff" Bob one, but missing his mark he fell through a window of the room occupied by Walt Robinson, cutting his face badly and completely demolishing the window. Upon backing out of this he made another lunge at Large, this time going through a window in the front of Louis Pearson's tailor shop. Marshal McCraw looked the disturber up about this time and gave him lodging in the city cooler, and Bob came out of the fray without a scratch.

Maple Circle, Women of Woodcraft, gave a pleasant entertainment and social at L. O. O. F. hall, Monday evening, which was largely attended. A small admission fee of 15 cents was charged, the money to be used toward buying of new badges for the use of the ladies of the order. The program consisted of music and recitations and was greatly enjoyed.

E. J. Merrill was down from Hardman, Tuesday, and states that his country is mostly buried with snow drifts yet. He expects the people of his section to be about a month behind with their spring work, but they will be blest with an abundance of moisture. Wheat is fairly jumping on the hillsides where the frost is out of the ground.

Warning to Railroad Men.

Look out for severe and even dangerous kidney and bladder troubles resulting from years of railroading. George E. Bell, 639 Third St., Fort Wayne, Ind., was many years a conductor on the Nickel Plate. "Twenty years of railroading left my kidneys in terrible condition. There was a continual pain across my back and hips and my kidneys gave me much distress, and the action of my bladder was frequent and most painful. I got a supply of Foley Kidney Pills and the first bottle made a wonderful improvement and four bottles cured me completely. Since being cured I have recommended Foley Kidney Pills to many of my railroad friends." For Sale by all Druggists.
