GOOD GOODS Heppner Oregon

Ladies Footwear—

Inasmuch as the narrow, short skirt is to be more than ever the vogue this spring, it means an increased demand for walking shoes that possess every possible bit of character—shoes strictly in keeping with the natty tailored costumes. Pumps in Russian calf, patent colt and gun metal and in most cases with straps, are proclaimed the more correct in style. In Oxfords, the three-button effect is a promising favorite. Rather high shapely heels, vamps cut extremely low and a gracefully lined arch, are the characteristic points that one cannot help but admire in all of these newer spring footwear styles.

Our present assortment of styles and leathers is more complete than ever before at this time of year, so that we are ready to show them to you at any time convenient to yourself.

We have a popular assortment of Ladies' Pumps and Oxfords at from \$2.00 to \$4.50.

Men's Shoes and oxfords—We have both high and low cut shoes this season which are sure to please. Styles that are exclusive with us. Men's oxfords in patent, gun metal, Russian calf, and vici, from \$3.75 to \$5.00.
