The initial number of the Heppner Times, under Editor Shutt, is a vast improvement over what the paper has been for weeks past, and we extend congratulations. Heppner is a limited field and the local papers have a pretty hard time making ends meet financially and keeping up to a standard that their editors desire. We hope that our community may yet be made to realize that a liberal and persistent support is what is needed—a support that is permanent and not spasmodic. The local paper is as much a necessity as is the grocer or other merchant and business man of the town, so we are glad to note that Bro. Shutt is able to "touch up" some of our people with the idea that they should do some advertising and trust that it may be permanent. Just what the policy of the Times is to be was not clearly defined in the first number, suffice to say, however, it will be clean and up to a standard worthy of the man behind the gun. Here's our hand for success, Bro. Shutt.

Never mind what the census says about it. Heppner is a lot bigger than its population.

The announcement of Heppner's population by the Census Bureau is disappointing and shows that a very poor count was made. We are quite sure that a close and correct count would have given us at least 1200, and this report has it as 880. Our consolation lies in the fact, however, that the bigness of the town does not lie with the census enumerator. No use to kick. Just boost.

**One Conductor Helped Back to Work.**

Mr. Wilford Adams is his name, and he writes: "I was confined to my bed with chronic rheumatism and used two bottles of Eddy's Kidney Remedy with good effect. The third bottle put me on my feet and I resumed work as conductor on the Lexington, Ky., Street Railway. It will do all you claim in cases of rheumatism. It clears the blood of uric acid. Sold by all druggists."

John McLaughlin, a shepherd who has been working for Jack Devore, was accused of robbing a party at the Telephone Stable on Tuesday night of his blankets and some other trinkets. McLaughlin left on the train Wednesday and was apprehended and brought back, but later developments proved that he had committed no crime as the articles were all found.

F. E. Emerson and Miss Beacie Nolan, of Ione, were married at the parochial house of the Catholic church yesterday morning. Father Kelly officiating. The wedding was a very quiet affair and was witnessed by Mr. John Nolan, brother of the bride. They returned by the morning train to Ione.

Mr. Harry and Miss Helen Morgan departed Tuesday morning for Moscow, Idaho, where they expect to reside for the summer. They were tendered a pleasant little surprise by a number of their schoolmates Monday evening, who came as a party of well-wishers, and to say good-bye to Harry and Helen. They may decide to make their home in the Idaho city.

**TUESDAY, APRIL 25, 1911**  
 AT AMBROSE BEARD'S BARN, ALBANY, LINN CO., OREGON

40 IMPORTED AND NATIVE BRED REGISTERED PERCHERON AND GERMAN COACH STALLIONS AND MARES. These horses were purchased from the best breeders and importers in the United States and out of the very best families and show herds. They were bred in one of the great horse centers of the world. We do not claim to have all the prize winners of France and Germany, but we do claim we will give you the real worth of your money. Why not come where you can buy horses at your own price, and every one of them is for sale, and will be sold for the high dollar, instead of going where there are only a few for sale, and half of them are supposed to be kept for their own use, unless a fancy price is paid. These horses are as wide as a wagon, and a number of them weigh over two thousand pounds.

FARMERS, is this not one of your best opportunities to secure good stallions and mares at your own price? These horses are fresh, right off the farm, subject to no disease and ready to go to work. It was the Percheron horse that made Illinois famous as a horse center.

TERMS: CASH, unless satisfactory arrangements are made with the Clerk before the sale.

Catalogue ready April 8, 1911. Horses can be seen at barn after April 8. Address all communications to J. M. Clark, care Beard's Barn, Albany, Oregon.

Why send to mail order houses for your groceries ??? We can fill your orders for the same money. And more—you have the privilege of inspecting our goods before you buy, while in sending away, the money must accompany the order. And then comes the freight.

Heretofore we have been very successful in competing with the mail order business, and by buying for cash and selling for the same, can give the public the benefit of the short price instead of the long.

Before placing your order elsewhere, come in. We will compare notes and you can see for yourself.
